Para No.	Draft CRZ notification 2018	Modifications Suggested	Justification
1.(ii)	CRZ shall apply to the land area between HTL to <u>50 mts</u> or width of the creek whichever is less on the landward side along the tidal influenced water bodies that are connected to the sea and the distance upto which development along such tidal influenced water bodies is to be regulated shall be governed by the distance upto which the tidal effects are experienced which shall be determined based on salinity concentration of 5 parts per thousand (ppt) measured during the driest period of the year and distance up to which tidal effects are experienced shall be clearly identified and demarcated accordingly in the Coastal Zone Management Plans (hereinafter referred to as the CZMPs).	CRZ shall apply to the land area between HTL to <u>20 mts</u> or width of the creek whichever is less on the landward side along the tidal influenced water bodies that are connected to the sea and the distance upto which development along such tidal influenced water bodies is to be regulated shall be 1 km in Urban areas and 3km from estuary or river mouth in rural areas and distance shall be clearly identified and demarcated accordingly in the Coastal Zone Management Plans (hereinafter referred to as the CZMPs).	
2.3.1	CRZ-III A Such densely populated CRZ-III areas, where the population density is more than 2161 per sq km as per 2011 census base, shall be designated as CRZ -III A. In CRZ-III A, area up to 50 mts from the HTL on the landward side shall be earmarked as the No Development Zone (NDZ), provided the CZMPs as per this Notification, framed with due consultative process, have been approved, failing which, a NDZ of 200 mts shall continue to apply.	CRZ III A Such densely populated CRZ-III areas, where the population is more than 20000 in a panchayath as per 2011 census base, shall be designated as CRZ -III A. In CRZ-III A, area up to 50 mts from the HTL on the landward side shall be earmarked as the No Development Zone (NDZ), provided the CZMPs as per this Notification, framed with due consultative process, have been approved, failing which, a NDZ of 200 mts shall continue to apply.	<i>As per Census 2011: All areas with population above 20000 to 49999 are categorized as Class III towns. Area with population above 50000-99999 are Class II towns and above 100000 are Class I towns. MoEF&CC had taken population density of 2011 and class based on 2001 census as basis for classification of a class III town, which was 2161/Km².</i>
