GOVERNMENT OF KERALA**Abstract**

Water Resources Department--" Minor Irrigation Class I Works Under HarithaKeralam for the year 2018-19" - Administrative Sanction accorded - Orders issued.

WATER RESOURCES (MI) DEPARTMENT

G.O.(Rt)No.820/2018/WRD Dated, Thiruvananthapuram, 13/11/2018

- Read 1 Letters No.W6-23936/2018/AS dated 21.07.2018 and 24.10.2018 from the Chief Engineer (I&A), Thiruvananthapuram.
- 2 Minutes of the Departmental Working Group Meeting held on 30.07.2018.

ORDER

The Chief Engineer (I&A) as per letter dated 21.07.2018 read as 1st paper above submitted proposal for according Administrative Sanction for the Minor Irrigation Class I Works Under HarithaKeralam for the year 2018-19" amounting Rs.796 lakhs for Construction of and improvements to Minor Irrigation Structures, renovation of ponds etc under the head of account 4702-00-101-66 (01) for fifteen works.

The Departmental Working Group Meeting held on 30.07.2018 considered the above proposal submitted by the Chief Engineer (I&A) and approved the same subject to the following conditions :

1. Provisions as per circular No.90/2017/Fin dated 14.12.2017 that all estimates for works which are prepared by any Government department or agency should be exclusive of GST shall be adopted.
2. In several works, the provision of bailing out of water is proposed to be measured in kilolitres instead of on hourly basis. Even though both units are indicated in DSR rate, the measurement on hourly basis will be followed.
3. The required structural design / soil investigation for irrigation structures viz. Checkdam, VCBs etc has to be ensured before issuing Technical Sanction (TS).

4. All nominal concrete mix provisions for RCC structures shall be replaced by corresponding design mix without any extra quantity of cement as per latest circular of CTE.
5. Detailed estimate shall be prepared before considering the item for TS
6. The reinforcement item provided in the proposals is seen based on thumb rules. The reinforcement in the proposals shall be based on structural design requirement considering economy.
7. The adequacy of provisions and accuracy of rates shall be ensured by the TS authority while according T.S with due consideration for safety and economy.

As per letter dated 24.10.2018 read as 1st paper above, the Chief Engineer (I&A) has furnished the details of each work with estimate (exclusive of GST) and applicable GST separately.
