GOVERNMENT OF KERALA

Abstract

Planning and Economic Affairs (RKI) Department- Livelihood support package in Animal Husbandry Sector - Administrative Sanction accorded- Orders issued.

PLANNING & ECONOMIC AFFAIRS (RKI) DEPARTMENT

G.O. (Rt.) No.206/2020/P&EA

Thiruvananthapuram, Dated 13/05/2020

- Read: 1. G.O. (P) No. 16/2018/P&EA dated 09/11/2018.
2. G.O. (P) No. 19/2019/P&EA dated 23/05/2019.
3. Minutes of the 8th HLEC meeting held on 29/01/2020.
4. G.O.(Ms) No. 7/2020/P&EA dated 07/03/2020.
5. Letter No. AHD/127/2019-B3 dated 04/05/2020 from the Director of Animal Husbandry Department.

ORDER

Animal Husbandry is one of the sectors that suffered severe damages in the devastating floods of 2018. The estimated losses amount to Rs.171.35 crore, which include death of livestock, destruction of animal sheds, damage to feed, fodder and hay, infrastructure losses, damage to machinery and equipment & Production losses etc. It is a great challenge to bring back as well as retain the affected farmers in the sector. To provide them with need-based assistance and further guidance to establish a sustainable livelihood is the need of the hour. In the backdrop of the above, the Department of Animal Husbandry envisions a *“Livelihood support package in Animal Husbandry Sector”* at an estimated cost of Rs.77 crore.

2. The project envisage to create viable livelihood opportunities in the sector and the project components include Cattle rearing, Heifer rearing, Assistance for establishing hygienic cattle shed, Cattle feed subsidy programme, Mechanisation support programme for commercial dairy farms, Fodder plot development, Goat rearing, Backyard poultry rearing, Pig rearing, Duck rearing & Scientific calf rearing programme. The Animal Husbandry Department submitted a detailed project report with an estimated cost of Rs.77 crore.

3. The High-Level Empowered Committee (HLEC), in its meeting held on 29/01/2020, the minutes of which read as 3rd paper above, approved the project, subject to (i) incorporation of elements of convergence, optimal utilization of existing assets, and disaster-resilience, and (ii) clear demarcation of roles and responsibilities among

various stakeholders in the project. Subsequently, in-principle approval was accorded for the project to be taken up under RKI by sourcing requisite funds from the DPL, as per the G.O. read as 6th paper above. Now, as per letter read as 5th paper above, the Director of Animal Husbandry Department has submitted the revised Detailed Project Report of the project in line with the directions of the HLEC as mentioned above.

4. In the circumstances, having considered the revised Detailed Project Report in detail, the Government are pleased to accord Administrative sanction for the **“Livelihood Package in Animal Husbandry Sector”** at an estimated cost of **Rs.77 crore (Rupees Seventy-Seven crore)**, by sourcing requisite funds from the Development Policy Loan. The expenditure in this regard will be debited to the head of account "5475-00-115-94-Post flood Projects under Rebuild Kerala Initiative (P)". The salient features of the project are attached as **Annexure** to this order.

6. The Animal Husbandry Department shall formulate an effective monitoring mechanism for the timely completion of the project. All mandatory clearances from relevant departments shall be obtained wherever applicable. All procurements as part of implementation of the work shall be done in a fair and transparent manner in accordance with the extant rules.

(By order of the Governor),

RAJESH KUMAR SINGH

Additional Chief Secretary to Government

All members of HLEC and RKI-IC.

Salient features of the “Livelihood package in Animal Husbandry Sector”

Background

The animal husbandry sector suffered heavy losses in the devastating floods of 2018. The losses include death of livestock, destruction of animal sheds, damage to feed, fodder and hay, infrastructure loss, damage to machinery and equipment & milk production loss etc. The amount of loss is estimated to be Rs.171.35 crore. It is in this context that the proposed livelihood package in Animal Husbandry sector has been formulated. The various projects envisaged in the package are:

I. CATTLE REARING

Objective: - To provide support for dairying by assisting farmers to venture into 2 cow rearing units.

Area of implementation: - Alappuzha, Pathanamthitta, Kottayam, Idukki, Ernakulam, Thrissur & Wayanad

No. of Units proposed: 5000

Financial Analysis: -

Sl. No.	Particulars	Assistance under revival package	Beneficiary share /Loan	Total
1	Cost of 2 cross bred cows @ Rs 60000	60000	60000	120000
2	Equipment / Utensils		2000	2000
3	Transportation cost		8000	8000
4	Cattle shed		50000	50000
	Total unit cost	60000	120000	180000

Total amount required = Rs 60,000 x 5000 units = Rs.3000 Lakh

II. HEIFER REARING

Objective: - to provide assistance for single heifer rearing units.

Area of implementation: - entire state.

Number of units proposed: - 3500

Financial Analysis: -

Sl. No.	Particulars	Assistance under revival package	Beneficiary share /Loan	Total
1	Cost of single heifer @ Rs 27500	15000	12500	27500
2	Equipment/Utensils		2000	2000
3	Transportation cost		4000	4000
4	Cattle shed		10000	10000
	Total unit cost	15000	28500	43500

Total amount required = Rs 15,000 x 3500 = Rs.525 Lakh

III. ASSISTANCE FOR ESTABLISHING HYGIENIC CATTLE SHED

Objective: - (i) to provide safety and protection to animals with comfort.

(ii) to reduce the incidence of diseases of foot and udder.

(iii) to enable easy management to farmer

Area of implementation: - Whole state.

Number of units proposed: - 5000

Financial Analysis: -

An approximate cost for making a platform with manger, drinking water facility, dung channel with urine collection pit etc will be around Rs 50,000 for a 2-animal unit. A financial support of Rs 25000 will be provided. 5000 units will be given support in the whole state.

Total amount required = Rs 25,000 x 5000 units = Rs.1250 Lakh

IV. CATTLE FEED SUBSIDY PROGRAMME

Objective: - to protect the farmers from the steady increase in price of animal feed

Area of implementation: - Alappuzha, Pathanamthitta, Kottayam, Idukki, Ernakulam, Thrissur and Wayanad.

Number of units proposed: - 6650

Financial Analysis: -

Feed requirement: -100 Kg concentrated feed per month per cow.

Amount for 100 Kg feed @ Rs 20/Kg = Rs 20 x 100 = Rs 2000 per month

Assistance amount for 100 Kg feed required @50% subsidy = Rs 1000/ month

Assistance amount required for 6 months for 6650 beneficiaries = Rs 1000 x 6 months x 6650 = Rs 399 Lakh

Operational Cost- Rs 1 lakh

Total amount required = Rs.400 Lakh

V. MECHANISATION SUPPORT PROGRAMME FOR COMMERCIAL DAIRY FARMS

Objectives: -

- (i) support for commercial dairy farmers who suffered heavy loss during floods
- (ii) make dairy farming commercially viable by mechanization
- (iii) optimize milk production through mechanization
- (iv) minimize environmental pollution through effective waste disposal
- (v) adopting scientific management practices
- (vi) reduce cost of production through better labour management

Area of implementation: - Alappuzha, Pathanamthitta, Kottayam, Idukki, Ernakulam, Thrissur and Wayanad.

Number of units proposed: - 100

Financial Analysis:

The farmers may purchase and install one or more of the items (from among Milking machine, Rubber mat, Automatic drinker, Hand shower with pump, Wheel barrow, Dung scraper, Chaff cutter, Waste disposal, Biogas plant, Slurry pump) based on his need and requirement; and the assistance will be limited to 50% of the expenditure incurred for the same, limiting to Rs.1 lakh.

Total amount required: 1 lakh per beneficiary x 100 = Rs.100 Lakh

VI. FODDER PLOT DEVELOPMENT

Objective: - to revive fodder production and enhance the availability of the same to farmers.

Area of implementation: - entire state

Area intended to be covered: - 3500 ha.

Financial analysis:

Seeds, fertilizer/ manure, insecticides- Rs.12,000

Cultivation charges- Rs.12,000

Miscellaneous and unforeseen expenses- Rs.6000

Total- Rs.30,000 per ha.

Total amount required: 3500 ha. x Rs 30,000 = Rs.1050 Lakh

VII. GOAT REARING

Objectives:

- (i) create self-employment opportunities
- (ii) enhancement of milk and meat production.
- (iii) ensure propagation and sustenance of indigenous breed of Malabari goats.

Area of implementation: - entire state

No. of Units proposed: - 1800

Financial Analysis: -

Sl. No.	Item	Unit cost (Rs)	Total cost (Rs)	Remarks
1	Cost of 5 does and 1 buck	5000	30,000	As assistance of Rs.25000/- by the Department and rest of the amount by the beneficiary.
2	Construction of temporary sheds with a total floor space of 100sq.ft.	100 per sq. ft.	10,000	Beneficiary contribution
3	Transportation, insurance, documentation etc.	3000	3000	Beneficiary contribution
4	Cost of feed and fodder for three months	77 per day approx.	7000	Beneficiary contribution
	Total		50,000	

Assistance amount: 50% -Rs 25000 per unit

Total amount required- Rs 25000 x 1800 = Rs.450 Lakh

VIII. BACKYARD POULTRY REARING

Objective: - to promote backyard poultry rearing, improve daily income of farmers, ensure food security & bio manure availability.

Area of implementation: - entire state

Number of units proposed: - 25000

Financial Analysis

Particulars	Beneficiary Share	Assistance under package	Total
Cost of shelter	2000		2000
Cost of 5 birds @ Rs 100 per bird		500	500
Total		500	2500

Total assistance amount required= Rs 500 x 25000 = Rs.125 Lakh

IX. PIG REARING

Objective: To establish 200 pig rearing units in selected districts.

Area of implementation: Kottayam, Idukki, Ernakulum, Thrissur, and Wayanad districts

No of units proposed: - 200

Financial Analysis:

Sl. No.	Item	Amount in Rupees
1	Cost of 10 crossbred piglets of 2 months age	30000
2	Construction of a pig sty @Rs 50 sq. ft per animal and @ Rs100 per sq. ft	50000
3	Cost of concentrate @ 0.5 kg per day per animal for 100 days and @ Rs 20 per kg	10000
4	Biogas plant	25000
5	Transportation, medicine and miscellaneous expenses	5000
	Total	120000
	Assistance from government	50000
	Beneficiary contribution	70000

Total assistance amount required for 200 units = 50000x200= Rs.100 Lakh

X. DUCK REARING

Objective: -

- (i) to revive duck rearing post flood
- (ii) to increase the availability of duck eggs and meat
- (iii) increased income for the farmers

Area of implementation: - entire state.

No of Units proposed: - 16,500

Financial Outlay

(a) Cost of 10 ducklings of 51-60 days of age @ Rs.120/- bird= Rs1200/-

(b) Cost of transportation, night shelter, feed, medicine, utensils (beneficiary contribution) =Rs 1500/-

(c) Total unit cost = Rs 2700/-

Assistance to 1 Unit = Rs 1200

Total Assistance to 16500 Units = Rs.198,00,000 plus operational cost = Rs 2 Lakh

Total amount required = Rs.2 Crore

XI. SCIENTIFIC CALF REARING PROGRAMME

Objective: -

(i) to Reduce the age at puberty, age at first calving and inter calving period to increase in milk production in the state.

(ii) to ensure better feeding and scientific management of calves.

Area of implementation: Alappuzha, Pathanamthitta, Kottayam, Idukki, Ernakulum, Thrissur, and Wayanad districts

Number of calves: 4000

Financial Analysis:

Assistance amount per calf: Rs.12500

Total Amount required: 4000 x Rs 12500 = Rs.5 Crore

TOTAL FINANCIAL OUTLAY

Sl. No.	Name of project	Amount in crore Rupees
1	Cattle rearing	30
2	Heifer rearing	5.25
3	Assistance for establishing hygienic cattle shed	12.5
4	Cattle feed subsidy programme	4
5	Mechanization support programme for commercial dairy farms	1
6	Fodder plot development	10.5
7	Goat rearing	4.5
8	Backyard poultry rearing	1.25
9	Piggery units	1
10	Duck rearing unit	2
11	Scientific calf rearing programme	5
	TOTAL	77

FEATURES OF THE PROJECT IMPLEMENTATION

- Beneficiary selection for all the project components will be done by a Selection Committee comprising of concerned implementing officer of Animal Husbandry Department which will be the Panchayath level Veterinary Surgeon/Senior Veterinary Surgeon as well as Panchayath President and Chairman- Development Standing Committee.
- Main streaming of disaster-resilience principles in asset creation & optimal utilization of the same.
- Convergence with Milk Co-operative Societies and feed producing Public Sector Undertakings for project components such as Cattle feed subsidy Programme Scientific Calf rearing Programme.
- Convergence with MGNREGS for implementing the scheme components such as Assistance for hygienic cattle shed & Fodder plot development.
- Integration with Kerala State Poultry Development Corporation (KSPDC), Veterinary University etc. for project component such as Backyard Poultry rearing & Duck rearing.

The Animal Husbandry Department will implement the schemes under the livelihood support package in consultation with Local Self Government Institutions. Elements of convergence and optimal utilization of existing assets and disaster resilience will be ensured.

GOVERNMENT OF KERALA

Abstract

Planning and Economic Affairs (RKI) Department- Project proposals of Revenue Department- Reconstruction of 116 village offices and 2 other revenue buildings under the Rebuild Kerala Initiative- Implementation- Administrative Sanction accorded- Orders issued.

PLANNING & ECONOMIC AFFAIRS (RKI) DEPARTMENT

G.O.(Rt)No.90/2021/P&EA Dated,Thiruvananthapuram, 12/02/2021

- Read: 1. G.O. (P) No. 16/2018/P&EA dated 09/11/2018.
2. G.O. (Ms) No. 28/2019/P&EA dated 15/11/2019.
3. G.O. (Ms.) No.16/2020/P&EA dated 30/05/2020.
4. G.O. (Rt.) No.418/2020/P&EA dated 03/11/2020.
5. Minutes of the 12th HLEC meeting held on 29/01/2021.

ORDER

As per reference cited as 2nd paper above, in-principle approval was accorded for the reconstruction/renovation of 110 flood damaged village offices at an estimated cost of ₹ 35 crore from the RKI. Later, as per reference cited 3rd above, the project was revised by modifying the already approved list of village offices and including more village offices and other revenue buildings to the project. Thus, a total of 255 village offices & 41 other revenue buildings are approved to be reconstructed under the RKI. Subsequently, as per Government Order cited 4th above, Administrative Sanction was issued to 111 village offices and 36 other revenue buildings from this approved list.

2. Now, the Revenue Department submitted DPRs of 116 village offices and 2 other revenue buildings from the approved list, and requested Administrative Sanction to the same. The proposal was considered by the High Level Empowered Committee (HLEC) of the RKI in its meeting held on 29/01/2021. The Committee, as per the minutes read as 5th paper above, approved the DPRs, and directed to issue Administrative Sanction to the same.

3. The Government have examined the matter in detail, and are pleased to issue Administrative Sanction for the **reconstruction of 116 village offices and 2 other revenue buildings** of which the DPRs are submitted, and to which the in-principle

approval of the Council of Ministers have already been accorded as per G.O. read as 3rd paper above, at a total cost of ₹ 57.51 crore (Rupees Fifty-seven crore and Fifty-five lakh only). The list of village offices and other revenue buildings, along with the cost estimates, is detailed at **Annexure** to this order. The expenditure in this regard will be debited to the head of account "5475-00-115-94-Post flood Projects under Rebuild Kerala Initiative (P)".

4.The Revenue department shall explore possibility of engaging other accredited agencies in addition to the PWD and KESNIK so as to ensure timely completion of the works.

5.The Revenue Department shall formulate an effective monitoring mechanism for the timely completion of the projects. All mandatory clearances from relevant departments shall be obtained wherever applicable. All procurement as part of implementation of the work shall be done in a fair and transparent manner in accordance with the extant rules.

(By order of the Governor)

GOVERNMENT OF KERALA

Abstract

Planning and Economic Affairs (RKI) Department- Project proposals of Revenue Department- Reconstruction of village offices (111 no.s) and other revenue buildings (36 no.s) under the Rebuild Kerala Initiative- Implementation- Administrative Sanction accorded- Orders issued.

PLANNING & ECONOMIC AFFAIRS (RKI) DEPARTMENT

G.O. (Rt.) No.418/2020/P&EA

Thiruvananthapuram, Dated 03/11/2020

-
- Read: 1. G.O. (P) No. 16/2018/P&EA dated 09/11/2018.
2. G.O. (P) No. 19/2019/P&EA dated 23/05/2019.
3. Minutes of the 6th HLEC meeting held on 11/10/2019.
4. G.O. (Ms) No. 28/2019/P&EA dated 15/11/2019.
5. Minutes of the 9th HLEC meeting held on 13/05/2019.
6. G.O. (Ms.) No.16/2020/P&EA dated 30/05/2020.

ORDER

In the aftermath of the flood of 2018, the Rebuild Kerala Initiative (RKI) has been entrusted with the task of planning and implementing a rebuilding strategy for the state as per the G.O. read as 1st paper above. As per the G.O. read as 2nd paper above, Government had approved the Rebuild Kerala Development Programme (RKDP) which constitutes the State's strategic road map for a Green and Resilient Kerala.

2. The Revenue Department submitted a project proposal for reconstruction/ renovation of flood-damaged village offices across the state under the Rebuild Kerala Initiative. The proposal included reconstruction of 70 village offices at an estimated cost of Rs.33 crore and renovation of 40 village offices at an estimated cost of Rs.2 crore.

3. The High level Empowered Committee (HLEC) of the RKI, in its 6th meeting held on 11/10/2019, approved the proposal. Subsequently, as per the G.O. read as 4th paper above, in-principle approval was accorded for the same to be taken up under the RKI by sourcing requisite funds from the DPL.

4. Later, the Revenue Department requested certain changes in the approved list of village offices selected for reconstruction/renovation, and submitted the revised list, along with a fresh list of village offices, to be considered for reconstruction as *Phase-2*. In addition, another list of other revenue buildings (other than village offices) to be reconstructed was also submitted to the RKI. The HLEC of the RKI, in its 9th meeting held on 13/05/2020, approved the proposal, and subsequently, as per the G.O. read as 6th paper above, in-principle approval was accorded for the same to be taken up under the RKI. Thus, a total of 255 village offices & 41 other revenue buildings are approved to be reconstructed under the RKI.

5. Now, the Revenue Department has submitted the Detailed Project Reports (DPRs) for (i) reconstruction of 119 village offices (at a total cost of Rs.52.025 crore) and (ii) reconstruction of 38 other revenue buildings (at a total cost of Rs. 83.007 crore), and has requested to issue Administrative Sanction to the projects. On examination of the DPRs, it is found that, in the 119 number of DPRs of village offices submitted, 8 numbers are proposed as substitution to 8 other village offices in the approved list in Idukki & Palakkad districts. Similarly, out of the 38 number of DPRs of other revenue buildings submitted, 2 numbers are freshly proposed ones. These substitutions/additions to the list approved by the Government, as per G.O.s read as 4th and 6th papers above, will require further detailed examination and approval by the Government.

6. The Government have examined the matter in detail, and are pleased to issue Administrative Sanction for **the reconstruction of village offices (111 no.s) and other revenue buildings (36 no.s)** of which the DPRs are submitted, and to which the in-principle approval of the Council of Ministers have already been accorded, as per G.O.s read as 4th and 6th papers above, at a cost of **Rs. 48.50 crore (Rupees Forty-eight crore and Fifty lakh only) and Rs. 79.77 crore (Rupee Seventy-nine crore and Seventy-seven lakh only) respectively**. The list of village offices and other revenue buildings, alongwith cost estimates, is detailed at **Annexure** to this order. The expenditure in this regard will be debited to the head of account "5475-00-115-94-Post flood Projects under Rebuild Kerala Initiative (P)".

7. The HLEC shall, as mandated in the G.O. read as paper 1 above, examine the proposal and the DPRs submitted by the Revenue Department in detail, and submit its recommendations to the Government in the matter.

8. The Revenue Department shall formulate an effective monitoring mechanism for the timely completion of the projects. All mandatory clearances from relevant

departments shall be obtained wherever applicable. All procurements as part of implementation of the work shall be done in a fair and transparent manner in accordance with the extant rules.

GOVERNMENT OF KERALA

Abstract

Rebuild Kerala Initiative (RKI)- Projects of Kudumbashree- Implementation-Revised Administrative Sanction accorded– Orders issued.

PLANNING AND ECONOMIC AFFAIRS (RKI) DEPARTMENT

G.O.(Rt)No.406/2020/P&EA

Dated, Thiruvananthapuram, 27/10/2020

- Read
1. G.O. (P) No. 16/2018/P&EA dated 09/11/2018.
 2. G.O. (P) No. 19/2019/P&EA dated 23/05/2019.
 3. G.O.(Rt.) No.505/2019/P&EA dated 28/11/2019.
 4. Letter No 2979/J1/2019 /KSHO dated 10/07/2020.
 5. Minutes of the RKI-Implementation Committee held on 24/09/2020.
 6. Minutes of the 11th meeting of the HLEC held on 13/10/2020.

ORDER

The Government, as per G.O. read as paper 3rd above, issued Administrative Sanction for various Kudumbashree projects viz. Disaster Relief and Livelihood Programmes at an estimated cost of ₹ 250 crore under the Rebuild Kerala Initiative by sourcing funds from the World Bank's Development Policy Loan.

2. The Executive Director, Kudumbashree Mission, as per his letter read as paper 4th above, has submitted a revised Detailed Project Report incorporating certain modifications for the smooth implementation of the project. A summary of the changes proposed under various projects in the DPR is given below:

Sl No	Program	Sanctioned AS (in crore) (a)	Recommended AS (in crore) (b)	Excess/Deficit (in crore) (b-c)
1	Disaster Relief			
1.1	Crisis Management Fund (CMF)	20	18.47	-1.53
1.2	Vulnerability Reduction Fund (VRF)	25	26	+1

Sl No	Program	Sanctioned AS (in crore) (a)	Recommended AS (in crore) (b)	Excess/Deficit (in crore) (b-c)
2	Livelihood Programs			
2.1	Skilling for wage employment	60	60	0
2.2	Skilling to Connect to Work	5	5	0
2.3	Skilling for Self-Employment (ARISE)	10	10	0
2.4	Kerala Chicken Project	22	22	0 **
2.5	Egg Value Chain Project	8	0	-8
2.6	Startup Village Entrepreneurship Program	70	75	+5
2.7	CEF to CDS's	30	32.53	+2.53
2.8	Enterprise Resource Planning	0	1	+1
	Total	250	250	0

• ** component change

The salient features of the modifications of the project are detailed in **Annexure** to this order.

3. The RKI-Implementation Committee, in its meeting held on 24/09/2020, considered the revised DPR and recommended the revised DPR for approval of the HLEC, subject to the condition that the cost of ERP is justified through a market discovery, and also suggested that that the Kudumbashree Mission should consider the following in future:

- (i) Establish backward integration, ensuring supply of eggs with assured market with reasonable price realization to the farmers, and
- (ii) Reconsider the manufacturing and marketing of Value-Added products (Egg Value Chain) proposed earlier, along with Kerala Chicken Project.

4. The HLEC, in its meeting held on 13/10/2020, the minutes of which is read as 6th paper above, considered the revised DPR and approved the same, subject to the conditions recommended by the RKI-Implementaion Committee, and directed the RKI to issue revised Administrative Sanction to the projects.

5. In these circumstances, the Government are pleased to accord Administrative Sanction for the revised DPR incorporating the modifications stated in **para. 2** above, subject to the conditions recommended by the RKI-Implementaion Committee as specified in **para. 3** above.

(By order of the Governor)

RAJESH KUMAR SINGH IAS
ADDITIONAL CHIEF SECRETARY

Annexure

**SALIENT FEATURES OF REVISED DPR SUBMITTED BY THE
KUDUMBASHREE MISSION FOR ONGOING PROJECTS UNDER REBUILD
KERALA INITIATIVE**

The Government, as per G.O.(Rt.)No.505/2019/P&EA dated 28/11/2019, have issued Administrative Sanction to various projects of the Kudumbashree Mission for disaster relief (Rs.45 crore) and Livelihood programmes (Rs.205 crore) under the Rebuild Kerala Initiative. The component wise split up of the financial outlay of the projects is extracted below:

i. Disaster Relief (₹45.00 crore):

SL. No.	Items	Units / Components	Number of Beneficiaries	Rate per Unit	Total (Rs.crore)
1	Crisis Management Fund	10,000 JLGs	50000 Nos.	Rs.20,000	20.00
2	Vulnerability Reduction Fund	25,000 NHGs	1,50,000 No.s	Rs. 10,000	25.00
TOTAL			2,00,000		45.00

ii. Livelihood Programmes (₹205 crore):

SL. No.	Items	Units / Components	Number of Beneficiaries	Rate per Unit (in Rs)	Total ₹ (in crore)
1	Skilling for Wage Employment	10,000 individuals	10,000	60,000	60.00
2	Skilling to Connect to Work	4560 individuals (152 block x 30 people)	5000	10,000	5.00
3	Skilling for Self Employment (ARISE)	10,000 (7000 individuals and 1000 groups x 3 people)	10,000	10,000	10.00
4	Kerala Chicken Project	1000 farms, 250 sales units, 3 breeder farms	5000		22.00
5	Egg Value Chain Project	1000 egg collectors, 152 packing units, 100000 egg	102000		8.00

However, the Kudumbashree Mission now proposes some modifications necessary for the smooth implementation of the project. Hence, a revised DPR is prepared and submitted for approval of the RKI. The modified details are elaborated below.

I. CRISIS MANAGEMENT FUND

In the Administrative Sanction ₹20 crore is sanctioned for providing CMF to 10,000 JLGs. However, when the actual claim was taken, only 9,687 JLGs were in need of CMF. Hence the total amount for providing CMF became ₹18.47 crore only. This resulted in an excess amount of ₹1.53 crore. *This excess amount may be re-appropriated to other components.*

II. VULNERABILITY REDUCTION FUND (VRF)

Initially Kudumbashree had submitted a proposal to provide ₹10000 to all flood affected NHGs and same has been approved as well. But it is noticed that the situation prevails in the NHGs varies according to the frequency of flood affected and number of members affected by flood. Hence a revised plan is developed, considering those two parameters such as (i) number of times flood-affected and (ii) number of flood-affected members in a NHG. At this juncture, *modifications were made in the norms fixed to*

disburse Vulnerability Reduction Fund to Flood Affected Neighbourhood Groups.

The modified plan is as follows:

(a) VRF to NHGs in which members are affected by flood twice:

Unfortunately, members belonging to 12,018 NHGs that have taken RKLS loan were affected by both 2018 and 2019 flood. Hence NHGs which have been affected by the flood during 2018 and 2019 and have availed RKLS may be given VRF according to the number of beneficiaries.

(b) VRF to remaining NHGs that have availed RKLS loan & affected by flood - 2018

The NHGs which have availed RKLS loan but flood hit during only in 2018 may be given VRF.

III. SKILLING TO WAGE EMPLOYMENT (YUVA KERALAM)

The goal of the project is to impart skill training to 10,000 youth and provide wage employment for youth in the flood affected area of Kerala and make them into an economically independent and globally relevant workforce. The total project cost is ₹60 crore out of which ₹15 crore have been utilized so far. *There is no modification in the project.*

IV. SKILLING TO CONNECT TO WORK

The total cost for the project is ₹ 5crore out of which ₹4 crore has been spent. *There is no modification in the project.*

V. SKILLING TO SELF EMPLOYMENT (ARISE)

As part of post flood activity for resurgent Kerala, Kudumbashree has initiated a skill campaign named ARISE. The aim of this campaign is to provide skill training to 50,000 candidates in the sectors like Plumbing, Electronic Repair, Electrical Work, Day Care, House Keeping, Carpentry, Masonry, Agriculture Labour, Data Entry, Laundry & Ironing etc. The project envisages creating a team of multi task personnel skilled in multiple areas like Plumbing, Electronics repair, Electrical work, essential Carpentry and Masonry. The amount sanctioned for skilling to self-employment (ARISE) is ₹10 crore. *There is no change in the project.*

VI. KERALA CHICKEN PROJECT

The sanctioned proposal for Kerala-Chicken is as follows:

The aim of the Kerala Chicken project is to produce 500,000 broiler birds per day and attain 50% of the domestic market of broiler chicken in Kerala through Kudumbashree; and become the primary producer of broiler chicken in Kerala.

The target for the first year is to achieve 50% of the Total Domestic Market. The Kudumbashree envisages to establish the required infrastructure and facilities to achieve this aim, which include the following components.

1. 3 Regional Breeder Farms (Broiler Parent Birds Farm) - 1.9 Lakh chick/week

2. 1,000 Broiler Farms -2 Lakh square foot total
3. 3 Regional Poultry Meat Processing plants - altogether 50MT birds/ Day
4. 3 Regional Rendering Plants -altogether 50MT waste/ Day
5. 250 sales outlets
6. Statewide Branding and Marketing

Out of these components, item number 1 and 6 shall be funded by RKI, which being the limiting factor and critical and components of the entire project.

Name of the project	Project details	Total budget
Kerala Chicken	1,000 Farm Integration 250 Sales outlets 3 Breeder farms	22 Cr.

The Kerala Chicken Project has been modified and the modified details are given below:

Name of the project	Project details	Total budget	Present status	Amount(in Rs)
Kerala Chicken	250 Farm Integration- 10.67 Cr. 84 Sales outlets- 1.26Cr. Trivandrum Plant- 10.07 Cr.	22 Cr.	95 Farm	22 Cr.

The Kerala chicken project budget details are elaborated in the following tables.

I. 250 Farm Integration- 10.67Cr.

Sl No.	Particulars	Amount
1	Total Birds (84,000 birds x 8 weeks x Rs 28 Avg chick rate)	1.88 Cr.
2	Insurance (84,000 birds x 8 weeks x 2.36/chick)	0.16 Cr.
3	Feed (84,000 birds x 8 weeks = 672000 birds x 3.2 kg feed per bird x 33 per sack rate)	7.09 Cr.
4	Rearing Fees (84,000 birds x 8 weeks = 6,72,000-5% culls=638400 x 2 kg x Rs 10)	1.27 Cr.
5	Medicine (84,000 birds x 8 weeks = 6,72,000 x Rate 1.5)	0.11 Cr.
6	Feed Transport Cost (84,000 birds x 8 weeks =6,72,000 x 3.2kg feed per bird)/50 (1 sack rate) x 38 (feed per sack rate including transportation)	0.16 Cr.
	Total production cost	10.67 Cr.

II. 84 Sales outlets- 1.26 Cr (84 Sales Outlets @ 1.5 Lakhs/ Outlet)

III. Trivandrum Plant- 10.07 Cr.

VII. EGG VALUE CHAIN PROJECT

The project has been found to be not feasible, and hence it was decided to **drop the project**. *The amount sanctioned in the project (₹ 8 Crore) will be utilized for giving CEF to CDS and implementing SVEP and ERP.*

VIII. START-UP VILLAGE ENTREPRENEURS PROGRAMME (SVEP)

Start-up Village Entrepreneurship Programme (SVEP) is one of the flagship livelihood support programme presently implemented by Kudumbashree NRO in 65 blocks. The design of the programme helps in developing and sustaining nonfarm livelihoods for the poor. Based on the success of the implementing the SVEP and analyzing the results, it has been decided that SVEP model-based support will be appropriate for the post flood livelihood support in the identified blocks. Under the proposed intervention it planned to roll out the SVEP in 14 flood affected blocks, which will lead to establishment of more than 16,800 new enterprises in both farm and nonfarm sectors. More than 300 microenterprises consultants will be identified and trained under the project , which will later own up the project .

ADDITIONAL CEF COMPONENT FOR PARTICULARLY VULNERABLE BLOCKS

Kalpetta and Mananthawadi in Wayanad , Devikulam in Idukki, and Champakkulam and Veliyanad in Kuttanad region in Alappuzha are blocks that faced huge impacts during the floods and landslides. Moreover, these areas are prone to unduly huge impacts of natural disasters due to reasons pertaining to their location and landscapes. While Kalpetta, Mananthawadi, and Devikulam pose challenges in terms of access to transport and communication, Champakkulam and Veliyanad have high water table that make them particularly vulnerable to multiple floods every year. Therefore, the Community Enterprise Fund (CEF) component of these blocks under the RKI-SVEP projects will have to have a different design, which allows community funding of infrastructure on the one hand and enhanced working capital support on the other. *Therefore, it is proposed that an additional ₹ 5 Crore be allotted under the project equally across these five blocks, enhancing their CEF by a crore each.*

IX. COMMUNITY ENTERPRISES FUND (CEF) TO CDS

A total of ₹30 crore has been sanctioned to provide CEF to CDS and has been distributed to CDS. An additional amount of ₹2.53 crore will be further needed for providing CEF to 51 more CDS.

X. ENTERPRISE RESOURCE PLANNING (ERP)

Enterprise Resource Planning (ERP) is the integrated management of main business processes, often in real time and mediated by software and technology. Government Resource Planning (GRP) is the equivalent of an ERP for the Government sector and an integrated office automation system for government bodies. The software structure, modularization, core algorithms and main interfaces do not differ from other ERPs, and ERP software suppliers manage to adapt their systems to government agencies. An ERP system covers the common functional areas referred to as ERP modules. The ERP module may include financial accounting, Management accounting, Human resources, Project management, Customer relationship management and Data services. *An amount of ₹1 crore will be needed for implementing ERP in Kudumbashree.*

GOVERNMENT OF KERALA

Abstract

Planning and Economic Affairs (RKI) Department- 'Digital Resurvey of 1550 villages in the State' - In principle sanction for the project and the Administrative Sanction for the Phase-1 -revised -Orders issued

PLANNING & ECONOMIC AFFAIRS (RKI) DEPARTMENT

G.O. (Ms.) No.15/2022/P&EA

Thiruvananthapuram, Dated 02-07-2022

- Read: 1. G.O.(Ms) No. 24/2021/P&EA dated 18-08-2021.
2. G.O.(Rt) No.364/2021/P&EA dated 27-08-2021.
3. Minutes of the Appex Committee meeting held on 25-05-2022.
4. Letter No.DSLR/1850/2019-B9 dated 02-06-2022.
5. Minutes of the 17th HLEC meeting held on 13-06-2022.

ORDER

As per G.O. read 1st above, in-principle approval was accorded for 'Digital Resurvey of 1550 Villages' at an estimated cost of ₹807.98 crore to be completed in 4 phases in a total period of 3 years and 8 months and to take up the First Phase of the project under the Rebuild Kerala Initiative (RKI). Subsequently, as per G.O. read 2nd above, Administrative Sanction was issued for implementing the Phase 1 (Digital Resurvey of 400 Villages) of the project under the RKI at an estimated cost of ₹339.438 crore.

2. The Director, Survey and Land Records (DSLRL) Department, as per his letter read as 4th paper above, reported that there has been a substantial increase in the amount required for the procurement of the equipments, following a competitive bidding route. The amount required for the procurement of equipments, which is to be completed in the first phase increased to ₹289.5 crore, excluding the amount required for Comprehensive Annual Maintenance Contract (CAMC), which necessitates in the revision of the estimate for the implementation of the activities envisaged in Phase 1 increased to ₹438.46 crore.

3. The Director of Survey and LR informed that the survey equipments falling under the limited production segment and limited availability of information on market prices in the public domain were some of the constraints faced in the estimate preparation. He also reported that, during the process of procurement of survey equipment, certain improvements/advancements have been incorporated in the equipment specifications, duly considering the positive results, observed in the sample survey on the recommendations of the Technical Committee which has been endorsed by the Apex Committee of the Digital Survey. Accordingly, specifications of survey instruments such as Real Time Kinematic (RTK) device, Total Station (ETS) and Tablet PC have been improved, to be utilized for the speedy implementation of the program. It is expected that the Tablet based surveying and mapping would ease the entire execution of the digital survey program.

4. Accordingly, the amount required for the purchase of tablet PC for each RTK machine has increased from ₹1.70 crore to ₹47.97 crore, the cost of purchase of RTK machines has increased from ₹110 crore to ₹143.26 crore, and the cost of purchase of ETS machines has increased from ₹56 crore to ₹98.25 crore, thereby making a cost escalation of ₹121.78 crore for the said components alone. However the Director Survey, reported that if the expected savings against the other components such as human resources, office modernization, other office expenses etc. are considered, there will be a total savings of ₹22.758 crore in the First Phase of the project and the net cost escalation in the First Phase of the project will be to the tune of ₹99.022 crore. He also reported that, there will be expected savings of approximately ₹68 crore in the Phases 2, 3 & 4 of the project, owing to the use of survey equipment with advanced specification. Hence, the additional amount required, over and above the initially estimated project cost is approximately ₹50 crore only, making the total estimated cost of the project (for all 4 phases) at ₹858 crore.

5. The proposal was considered and recommended by the HLEC of the RKI in its meeting held on 13-06-2022, the minutes of which is read as paper 5th above.

6. The Government, after having considered the proposal in detail, are pleased to revise the in-principle sanction for the project 'Digital Resurvey of 1550 Villages' at a revised cost of ₹858 crore (Rupees Eight Hundred and Fifty-eight crore only).

7. The Government are also pleased to accord Administrative Sanction to take up the Phase-1 of the project under the RKI at a revised cost of ₹438.46 crore (Rupees Four Hundred and Thirty-eight crore and Forty-six lakh only).

8. The component-wise split up of the Phase-1 cost of the project to be funded by the RKI, along with the reasons for the revision in cost, is detailed in **Annexure** to this G.O. The G.O.s read as 1 and 2 and the Annexure thereof stand modified to the above extent only.

(By order of the Governor),

Digital Survey of 1550 villages -Revised estimate for Phase - 1				
Sl. No.	Components	Estimate as per DPR - Phase 1 (₹)	Revised Estimate for Phase 1 (₹)	Remarks
1. Policy, Institutional and Regulatory Development				
1.1	Clear legal/regulatory statement on status of cadastral map and RoR	500,000	100,000	Due to COVID situation, many of the workshops and meetings are conducted in the online mode. In the same fashion, the future programs also will be conducted. Hence savings are expected in this component
1.2	Joint activity on policy, regulations, SOPs, capacity building plans	500,000	0	Due to COVID situation, many of the workshops, meetings and meetings are conducted in the online mode. In the same fashion, the future programs also will be conducted. Hence savings are expected in this component
1.3	Policy, regulations and SOPs for contract surveyors	500,000	0	Due to COVID situation, many of the workshops, meetings and meetings are conducted in the online mode. In the same fashion, the future programs also will be conducted. Hence savings are expected in this component
1.4	Public Awareness Campaign for improved land administration	200,000	200,000	No changes
1.5	Business plan for the Survey Department	100,000	100,000	No changes
2. Development of ICT System for Land Administration				
2.1	Implementation of e-maps	1,000,000	0	e-maps is a part of the comprehensive IT solution proposed in the DPR. This mapping application will be integrated with the IT solution developed by the vendor in the procurement project. Therefore, a separate funding is not required for the e-maps development. This amount (₹10 lakh) may be utilized for the procurement project.
2.2	Implementation of Integrated LIS and data migration	2,000,000	0	ILIS will be developed through the State NIC by integrating the IT solutions of Revenue, Survey and Registration department. As NIC is a Central Government agency and hence there are amount reduction expecting in the software development. This amount

					(₹20 lakh) may be utilized for the procurement project.
2.3	Implementation of resurvey application		10,000,000	5,000,000	Resurvey application will be developed by NIC only and there are amount reductions are expected in the software development.
2.4	Procurement of hardware, software and communication lines	Tab (For each RTK machines) Phase I	17,000,000	479769002	<p>During the preparation of the initial budget, the department expected that the Tablet PC would be required along with RTK rover machines only. As the normal ETS does not have advanced features and hence the integrated management with Tablet PCs will be difficult. But Robotic ETS is capable of such integration and data sharing with Tablet PCs. By understanding the above and considering the ease of field operations possible, the subsequent Technical Committee decided to procure additional Tablet PCs for 700 Robotic ETS. This has been approved by the Apex committee as well. Therefore, 1700 Tablet PCs are to be procured in total.</p> <p>In the subsequent meetings, the Technical Committee has decided to go for industrial grade Tablet PC (rugged tablet) instead of normal Tablet PC which was mentioned in the previous RFP. The sunlight readability of the screen in the field survey operation is a very critical part for the smooth execution of the digital survey program. The normal tab is not suitable for such operations. In addition to that, an 8-year life period and CAMC etc. are also a major challenge in the normal Tablet PCs segment. Considering the rough usage of such devices in the field survey works under the various terrain and climatic conditions, the Technical Committee has decided to include the specification of the rugged Tablet PC in the present re-tender RFP document. Price difference from ₹17,000 per unit mentioned in the original DPR to ₹2.82 lakh for the rugged Tab is also contributing to the increase of the revised estimate.</p> <p>1700 Tab x ₹2.82lakh = ₹47.97 Cr .</p>
		Laptop for ETS works	15,000,000	10,000,000	A comprehensive IT platform will be developed in the digital survey program. Laptops meant for the office process like progress updating, technical scrutiny etc., will be possible in the developed solution. Hence, reduction of equipment is found possible.

		A3 Printer Color (one Each printer for Districts) Phase I	2,800,000	2,800,000	No changes
		A0 Printer Color (one Each printer for Districts) Phase I	14,000,000	7,000,000	Instead of 1 printer for each district, 1 printer for two districts is envisaged and hence cost reduction in this component is found possible.
		A3 Printer B/W (One each for village) Phase I	12,000,000	12,000,000	No changes
3. Old record preservation					
3.1	Testing and procurement of image base map for state		1,000,000	0	Drone survey under the SVAMITVA scheme of Govt. of India is being progressed in the state, the image base map (drone image) is obtained through this program and hence, the savings of ₹10 lakh in this component may be utilized for the procurement project.
3.2	Restoration, scanning and archiving of the paper records		500,000	0	This component will be addressed in the State plan heads of Survey department and the scanning/digitization works are undertaken with inhouse resources and infrastructure. Therefore, separate funding is not required from the RKI for this component. Hence, the savings of ₹5 lakh in this component may be utilized for the procurement project.
4. Development and Scaling-Up of an Efficient Resurvey Procedure					
4.1	CORS network	Purchase of RTK Machines Phase 1	1,100,000,000	1,432,649,009	Survey equipment falling under the limited production segment and the unavailability of exact market price in the public domain are some of the constraints faced in the estimate preparation. There are factors which increase the cost such as the need to set up Service centers in two regions, Expert manpower for the service support of total 8 years, Software cost and customization, customs duty and GST etc. Similarly, some of the advanced features like IMU tilt technology (very useful for the survey works) are also some of the factors which increased the cost of equipment. After tender process, the cost per RTK is ₹14.32 lakh. In short, an amount of ₹143.26 Cr is required for this procurement.

		ETS Machine Phase 1	560,000,000	982582354	In accordance with the initial budget submitted in the RKI, the department has proposed the normal Electronic Total Station (ETS) machine with an approximate cost of ₹8 lakh per machine. Thereafter, the detailed ground studies and research revealed that the Robotic ETS will be helpful in attaining more productivity in survey works with less human resources. It is pertinent to mention that lack of sufficient human resources and delay in survey works are the major problems affecting the re survey process over years. Robotic Total Station will solve the above problems and by understanding the above merits, the Technical Committee has recommended for the procurement of the same. Subsequent to that the Apex Committee has also approved the proposal. But the cost of the equipment is on the higher side (after tender process, the cost per R-ETS is Rs. 14.03 lakhs). In short, an amount of ₹98.25 Cr. is required for this procurement.
4.2	Implementation of resurveys in 1550 villages in 3years 8 months (200 Villages in 5.5 Months)	Advertising and Awareness	4,000,000	4,000,000	No change
Purchase of Survey stones & transporting		50,000,000	50,000,000	No change	
Planting of Ground Control Points (GCP's)		12,000,000	12,000,000	No change	
Ayacut re-fixing (including stone transporting and planting)		100,000,000	100,000,000	No change	
Contract Surveyors		441,360,000	441,360,000	No change	

		Helper	735,600,000	588,480,000	<p>Initial proposal submitted to RKI for posting of 4000 helpers as contract basis for the digital survey mission. With the advanced technology usage i.e., Robotic ETS instead of normal ETS, there are reduction of number of contract helpers from 4000 to 3200. So, there are reduction of 800 manpower from the previously approved DPR. Salary per month/helper is = ₹18,390/Month Amount Required for 1st Phase = 3200 x ₹18,390 = ₹58,848,000 x 10 month = ₹588,480,000</p> <p>In this respect, the savings due to the reduction of 800 contract helpers are given below: 800 x ₹18,390 = ₹1,47,12,000 x 10 month = ₹14,71,20,000. Hence the savings of ₹14.71 Cr. in this component may be utilized for the procurement project.</p>
		Vehicle rent (Rs.40000 x 200 vehicle x 12 months)	84,000,000	96,000,000	<p>Earlier the vehicle rent was calculated at Rs.35,000/vehicle. Due to the fuel price hike, increase of maintenance charges, labor etc., this rate is not found feasible at present. In this situation, Rs. 40,000/vehicle is proposed for hiring. In this respect an amount of ₹9.6 Cr. is proposed.</p>
		Camp office expenses (including rent) (200 Camp X 12 months - One camp for each village)	96,000,000	96,000,000	No change
		Basic Infrastructures for camp offices	10,000,000	10,000,000	No change
		Infrastructure improvement of DD/JD office	21,000,000	0	<p>This infrastructure upgradation will be taken up in the State plan/non plan budget of DSLR and hence, the savings of ₹8.40 Cr in this component may be utilized for the procurement project.</p>
		Infrastructure improvement of AD office	45,000,000	0	

		Purchase of Vehicles for JD/DD, AD	18,000,000	0	
		Stationary charges	20,000,000	10,000,000	Due to the usage of IT solutions, substantial cost reduction is expected in the paper, printing, cartridge etc. Hence there is a saving is expected.
4.3	Design and implementation of public awareness campaign to support resurvey Advertising and Awareness		10,000,000	10,000,000	No change
5. Project Management and Capacity Building					
5.1		Infrastructure for SPMU	5,000,000	5,000,000	No change
5.2		Resource Hiring for SPMU	2,520,000	2,520,000	No change
5.3		Capacity building and training	2,800,000	2,800,000	No change
6. Miscellaneous and unforeseen expenses					
		SIM card and internet connection for Tablet PC (1700 nos.)		4,250,000	Working of Tablet PC with RTK devices (by using CORS signal), there should be an internet connection made available for the same. In this connection, SIM card of 1700 with GPRS connection need to be procured. For this an amount of Rs.100/SIM card and ₹2400 (yearly subscription) is required. So, a total of ₹42.50 lakh is required for 1700 Tablet users.
6.1		Miscellaneous, demarcation, SPMU establishment expenses and other unforeseen expenses for Phase - 1		20,000,000	In order to conduct the digital survey program, demarcation work need to be performed. Hence, the expenses for the demarcation for 400 villages (₹25,000 x 400 = ₹1 Cr.) and establishment expenses of SPMU and other Miscellaneous expenses for the digital survey program required ₹1 Cr. Total of ₹2 Cr. is required in this component
Total			3,394,380,000	4,384,610,365	

GOVERNMENT OF KERALA

Abstract

Planning and Economic Affairs (RKI) Department – Enhancing Livelihood through Integrated Farming with special focus to Idukki and Wayanad- Implementation- Administrative Sanction accorded – Orders issued.

PLANNING & ECONOMIC AFFAIRS (RKI) DEPARTMENT

G.O. (Rt.) No. 21/2020/P&EA

Thiruvananthapuram, Dated 09/01/2020

- Read: 1. G.O. (P) No. 16/2018/P&EA dated 09/11/2018.
2. G.O. (P) No. 19/2019/P&EA dated 23/05/2019.
3. Minutes of the 5th HLEC meeting held on 06/07/2019.
4. Minutes of the 6th HLEC meeting held on 11/10/2019.
5. Minutes of the 7th HLEC meeting held on 21/11/2019.
6. G.O. (Ms) No. 34/2019/P&EA dated 12/12/2019.

ORDER

The Department of Agriculture submitted a detailed project report titled “Enhancing Livelihood through Integrated Farming with special focus to Idukki and Wayanad” to the tune of Rs.50.00 crore, for implementation under Rebuild Kerala Initiative.

2. Integrated Farming (IF) is a whole farm management system which aims to deliver more sustainable agriculture. The system implies a set of practices and processes organized into functional entity. It aims at maximizing the yield of all component enterprises to provide steady and stable income to the farmers. It will also help in reducing the input costs as waste generated in one activity can become useful input to another activity. The project is to establish a minimum of 14,000 number of Integrated Farming Units in the State. Different Models are suggested for different agro-ecological situations. The estimated cost of the project is Rs.50 crore, out of which Rs.10 crore is earmarked exclusively for Idukki and Wayanad districts. The salient features of the project are attached as **Annexure** to this order.

3. The High Level Empowered Committee (HLEC), in its meeting held on 21/11/2019, the minutes of which read as 5th paper above, approved the detailed project report, and directed that Administrative Sanction may be issued, subject to the approval of the Council of Ministers. Subsequently, in-principle approval was accorded for the project to be taken up under RKI by sourcing requisite funds from the DPL, as per the G.O. read as 6th paper above.

4. In the circumstances, the Government are pleased to accord Administrative sanction for the project **“Enhancing Livelihood through Integrated Farming with special focus to Idukki and Wayanad”** at an estimated cost of **Rs.50 crore (Rupees Fifty crore only)**, as detailed in the annexure to this order, by sourcing requisite funds from the Development Policy Loan. The expenditure in this regard will be debited to the head of account "5475-00-115-94-Post flood Projects under Rebuild Kerala Initiative (P)".

6. The Department of Agriculture shall formulate an effective monitoring mechanism for the timely completion of the project. All mandatory clearances from relevant departments shall be obtained wherever applicable. All procurements as part of implementation of the work shall be done in a fair and transparent manner in accordance with the extant rules.

**By order of the Governor,
Dr. VENU V.
Principal Secretary to Government**

To:

Director, Agriculture and Farmer's Welfare Department, Thiruvananthapuram.

The Principal Accountant General (A&E/ Audit), Thiruvananthapuram.

Finance Department.

Information & Public Relations (Web & New Media) Department.

The Additional Chief Secretary, Agriculture

Special Secretary to Chief Secretary.

All members of HLEC and RKI-IC.

Salient features of the project titled “Enhancing Livelihood through Integrated Farming with special focus to Idukki and Wayanad”

I. Background

Kerala the ‘God’s own country’ is endowed with abundant natural resources conducive for year round farming. Though the state is having a geographical area of 1.17 per cent of India, it is occupied by more than 3 percent of the India’s population. It is one of the most densely populated State of our country. Though the State is getting close to 300 cm rainfall, it sometimes faces severe drought as well. In 2018, Kerala faced the biggest flood of its history. So the negative effects of global warming & climate change had already started showing its impact on farming sector. Another looming threat is that the area under food crops is declining steadily as the population is increasing. The State is depending on other States for virtually everything from ‘staple to salt’. The challenges posed by the pesticide residues is at its peak nowadays. In the past, Kerala homesteads were rich with staples, seasonals, clean milk, egg and meat, and they very rarely bought foodstuffs from outside. But things had gone worse, and the State is facing severe health hazards due to adulterated food. The rise in population leads to fragmentation of landholdings and thus halting the progress of farming sector. This declining trend in size of average land holding pose a serious challenge to the sustainability and profitability of farming. Under such circumstances, horizontal expansion of land-based enterprises is not possible. This warrant maximum utilization of available land. In this context, it is only natural, logical & wise that the state should spearhead a movement to produce its essential food materials within the state by leveraging its potential strengths.

The homestead farming practised traditionally in Kerala is a unique model where a household produce virtually everything from a piece of land by integration and synergy of multiple crop- livestock combination, thus reducing the external dependency for food. In the backdrop of a disaster like flood happened in 2018, the State should be ready to face future challenges and households should be made resilient enough to combat with the climate

change, malnutrition and pesticide residue in the consumed food. Strengthening the food security and food safety in the grass root level is most important in the post-flood scenario.

Integrated farming system opens a new vista of opportunities for a family to use its manpower, collective wisdom and leveraging of Government support to make every household clean, clear and healthy and productive. Integrated farming system is viewed as a sustainable alternative to commercial farming system on marginal lands with the objective of reversing resource degradation and stabilising farm income. Moreover, it paves the way for ideal waste management in which the waste from one system becomes input in the other. In the aforesaid environment, promotion of Integrated Farming system is the most ideal way to reach the greener objectives set by the Government. This project aims to establish IFS units in the State which would serve the objectives of food security, nutritional security and food safety.

II. Concept of Integrated Farming System (IFS)

Integrated Farming (IF) is a whole farm management system which aims to deliver more sustainable agriculture. System implies a set of practices and processes organized into functional entity.

III. Primary Goal of IFS

1. Maximization of yield of all component enterprises to provide steady and stable income.
2. Rejuvenation of systems' productivity and achieve agro-ecological equilibrium.
3. Avoid build-up of insect pests, diseases and weed population through natural cropping system and keep them at low level of intensity.
4. Reducing use of chemicals.

IV. Aim and Objectives

The main aim and objectives of IFS are:

1. Tapping the full potential of each farm holding.
2. Achieving self-sufficiency of safe-to-eat food through decentralised production and aggregation.
3. Ensuring nutritional security.
4. Effective utilization of space, time and resources.
5. Reduction in cost of production.

6. Greater exploitation of family labour.
7. Handholding new generation to farming.
8. Linking urban life to agriculture.
9. Making farming an entertainment, at the same time keeping it as profitable venture.
10. Promotion of green energy concepts in farming.
11. Effective utilisation of farm waste.
12. Promotion of green technologies like bio gas/ composting.
13. Exchange of surplus farm produce among neighbourhood.
14. Bringing back lost glory of ethnic crops.
15. Scientific planning for holistic development of farm.

V. Implementation Strategy

Integrated farming system targets a decentralised production by revamping a low external input suitable farming system by infusing technology, mechanisation, institutional credit and innovative technology for effective space, time and energy utilization. The beneficiaries will be invited to attend a clinic and the concept of farm plan will be explained. If the farmer is willing to do IFS, benchmarking of the existing farm will be done. Through consultation, a detailed farm plan will be prepared, based SWOT analysis of the farm as well as the farmer. The proposed farm plan will be submitted before the multi-disciplinary team of experts. The team comprises of the Assistant Director of Agriculture at block level as Chairman, and Agricultural Officer, Veterinary Surgeon, Dairy Extension Officer, representative from fisheries as members for vetting and approval. Once the farm plan is approved, the farmer will be advised to implement project, based on the approved plan. The financial assistance will be given based on the valuation of the Agricultural Officer concerned.

VI. Financial Assistance

The assistance under this project is envisaged based on the area under possession and the number of crop-livestock combinations. Based on the average land availability of the state, the following slabs had been fixed.

1. up to 400 sq.m.
2. up to 800 sq.m.
3. up to 1200 sq.m.
4. up to 1600 sq.m.

5. up to 2000 sq.m.
6. above 2000 sq.m.

The project will have two dimensions:

1. **Scaling up of Existing IFS units:** The financial support to the beneficiary will be released based on valuation by competent authorities (AO, ADA etc.). A farmer having a unit with the adequate components as per the guidelines may also be supported after a thorough evaluation and preparation of a farm plan. The scheme can be implemented credit linked if needed.
2. **Setting up of new IFS units:** Any interested farmer who is having land to an extent from 5 cents to 500 cents can be a beneficiary. A minimum of five enterprises should be undertaken by the beneficiary. Each beneficiary will be supported by the department official to prepare a farm plan.

VI. Target Beneficiaries

Farmers with farm holding from 200 Sq.m. can be a beneficiary and there is no upper limit for a farm size.

VI. Project Management

The overall management of the project will be done under the supervision of the Block level Assistant Director of Agriculture. The Krishibhavan officials will collect application, verify, appraise and formulate suitable intervention, and prepare a detailed farm plan for that particular farm unit. The multi-disciplinary team of experts will be constituted by the Assistant Director of Agriculture at Block level which include Agricultural Officer, Veterinary Surgeon, Dairy Extension Officer and representative from fisheries. The projects/ farm plan would be vetted by the team. All the IFS units would be geo-tagged. The beneficiary selection and monitoring would be done at Grama panchayath level by the Agricultural Development Committee. District level monitoring would be done by the PD, ATMA.

VII. Finance

Sl. No.	Size of the farm (In Sq.m.)	Number of units	Assistance proposed in Rs.	Financial outlay
1.	Up to 1200	7500	Up to 30000	2250 lakh
2.	1201 to 1600	5000	Up to 40000	2000 lakh
3.	Above 1600	1500	Up to 50000	750 lakh
TOTAL		14000		5000 lakh

VIII. Time frame

The project would be implemented in a phased manner from 2019-20 over a period of two years.

GOVERNMENT OF KERALA

Abstract

Planning and Economic Affairs (RKI) Department– Project proposal submitted by Agriculture Development and Farmer's Welfare Department- Strengthening of e-Governance in Agriculture Department- Administrative Sanction accorded- Orders issued.

PLANNING AND ECONOMIC AFFAIRS (RKI) DEPARTMENT

G.O.(Rt)No.339/2020/P&EA Dated,Thiruvananthapuram, 07/09/2020

- Read: 1. G.O. (P) No. 16/2018/P&EA dated 09/11/2018.
2. G.O. (P) No. 19/2019/P&EA dated 23/05/2019.
3. Minutes of the 7th HLEC meeting held on 21/11/2019.
4. Minutes of the 10th HLEC meeting held on 06/08/2020.
5. G.O. (Ms) No. 23/2020/P&EA dated 28/08/2020.

ORDER

The Agriculture Development and Farmer's Welfare Department submitted a detailed project report titled "*Strengthening of e-Governance in Agriculture Department*" at an estimated cost of Rs.15 crore for the first phase, for implementation under the Rebuild Kerala Initiative. The salient features of the project are detailed in **Annexure** to this order.

2. The High-Level Empowered Committee (HLEC), in its meeting held on 21/11/2019, the minutes of which read as 3rd paper above, considered the detailed project report. The Committee observed that the significant component of the proposal is the purchase of IT hardware for the Agriculture Department and its allied agencies. The Committee also required more details on how all the proposed components of infrastructure, capacity building and human resources would support the smooth and effective operationalization of the State-wide Agriculture MIS, if it is available or proposed to be implemented. Hence the Committee had deferred the proposal.

3. The Agriculture Development and Farmer's Welfare Department resubmitted the DPR for the first phase of the project, at an estimated cost of Rs.17.5 crore, before the

HLEC held on 06/08/2020 along with a reply to the queries earlier posed by the HLEC in its meeting held on 21/11/2019, and the Project Appraisal Form prescribed by the RKI. The Committee examined the project and directed the RKI to place the project proposal for in principle approval of Council of Ministers, and subsequently, to issue Administrative Sanction to the project, at a reduced budget of Rs.12 crore, subject to compliance of the directions mentioned below.

(i) The desktop computers proposed for procurement shall be replaced with laptops to the maximum extent possible, in order to ensure lesser maintenance and to maximise convenience, and thereby causing savings in the proposed cost of UPS and networking related equipment. Wherever possible, network printers shall be procured and installed instead of normal printers so that resources can be shared and capital cost be minimized.

(ii) The cost proposed towards hand-holding support, development of Digital Media Library and establishment of Digital Media Server etc. need to be optimized. Training and hand-holding support shall be provided through online facilities, thus minimizing the training cost and at the same time ensuring 24x7 support.

(iii) The cost towards networking and connectivity can also be reworked. To ensure better connectivity at minimal cost for the Information System, the Department shall utilize the upcoming K-Phone facility.

(iv) Seamless integration with ongoing ICT activities under various agencies under the Department need to be ensured for the project to achieve its desired outcomes.

(v) Modules for linkage of value addition and marketing of agro-produces through initiatives involving start-ups in the state may be added in the Information System.

4. Subsequently, as per the G.O. read as 5th paper above, in-principle approval was accorded for the project to be taken up under RKI by sourcing Rs.12 crore from the DPL, subject to compliance of the directions of the HLEC, as above.

5. In these circumstances, the Government are pleased to accord Administrative sanction for the project "Strengthening of e- governance in Agriculture Department" at an estimated cost of **Rs.12 crore (Rupees Twelve crore only)** by sourcing requisite funds from the Development Policy Loan, subject to compliance of the directions mentioned in **para 3** above. The expenditure in this regard will be debited to the head of account "5475-00-115-94-Post flood Projects under Rebuild Kerala Initiative (P)".

6. The Department of Agriculture shall formulate an effective monitoring mechanism for the timely completion of the project. All mandatory clearances from relevant departments shall be obtained wherever applicable. All procurement as part of implementation of the work shall be done in a fair and transparent manner in

accordance with the extant rules. The department shall submit periodical reports to the RKI regarding the progress of the implementation of the project.

(By order of the Governor)

RAJESH KUMAR SINGH IAS

Agriculture (PPM Cell) Department

Annexure

**Strengthening of e- governance in Agriculture Department
(Towards SMART Agriculture)**

There is an urgent need to promote sustainable food and land use systems as our future ecological and development wellbeing is at risk with climate change. Apart from this, there exists a wide information gap among all stakeholders including farmers. Sustainable planning and equipping various stakeholders to deal with these interlinked challenges and structural issues in agriculture is the need of the hour. The present governance, administrative, research and extension systems have to be reoriented and strengthened in order to equip them to evaluate the problems, plan strategies and execute efficient solutions. Various organizations and departments concerned with the development of agriculture in the state need to realize the potential of ICTs and have to reorient the strategies accordingly.

History of E- Governance Initiatives in Agriculture Department

For successful implementation and co-ordination of IT and e- Governance activities of the Department, an IT Cell was constituted at the Directorate of Agriculture during 2001, Information Technology Scheme was introduced during the 2000-2001 as 90 per cent Centrally Sponsored Scheme (CSS) for computerization of Department and networking.

National E- Governance Plan (Agriculture): The National e-Governance Plan (Agriculture) (NeGP-A) was launched by Government of India in the State with an intention of providing information to the farming community using multiple channels including websites, mobile based e- governance and also through touch screen Kiosks. Kerala was one of the seven pilot states included under NeGP-A scheme, which started in the year 2011. Five Computer Training Labs were established and 732 computers, 240 printers, 76 Kiosks and 177 Network Switches were installed at various offices under the department as part of implementation of the project. Along with this infrastructure, Government of India offered a software cluster where specific software to cater to specific demands can be selected by the state, customize or localize it for its use. The most successful among them are Soil Health Card, m-Kisan and Farmer

Portal which are still being used.

The State Government could leverage from these ICT initiatives and started e-payment of subsidies to farmers with the technical support of the National Informatics Centre (NIC), Kerala which resulted in the implementation of Electronic Direct Benefit Transfer (EBT) system in the State well ahead of other states. State Government have also launched a programme for creation of an on-line data base of farmers with the help of NIC as part of the NeGP-A.

e-Payment system was started in the Department of Agriculture Development and Farmers' Welfare during 2012-13 for transfer of assistance directly to the bank account of the beneficiary farmers using NIC's "Electronic Benefit Transfer (EBT) for Government of Kerala" Software for increased transparency.

"Karshikavivarasanketham oruviralthumbil (www.krishi.info)" is a single window system of Agriculture Information Hub developed by the Department of Agriculture and being implemented through the Small Farmers Agribusiness Consortium (SFAC), Kerala. Mobile applications like 'Kaarshikavivarasanketham', 'kaarshikakeralam' were also developed as part of this project. A 'kisan call centre' for farmers is also functioning under this project.

The software developed during the above two periods was mainly to cater to specific demands of the Department and were not integrated. Minimal Infrastructure and Connectivity were provided to various offices for the implementation of specific projects. Development of an Integrated MIS Software which enables seamless data flow from grass root to higher levels, establishing a good database and development of ERP solutions became the need of the hour.

Further ICT based solutions should be able to provide: (a) real-time data to support planning and decision making (b) farmer-centric services and (c) to reduce inefficiencies in the working pattern of field level officials mainly by streamlining their workload.

With these requirements, the Department initiated the development of an integrated Agriculture Information Management System (AIMS) with NIC, Kerala, Thiruvananthapuram. The first module to manage the distribution of natural calamity assistance (SMART) has already been developed and being used statewide by the agricultural officers of the department.

During this phase the department has restructured its existing website to conform to the latest security standards in content management framework which is currently available in English and Malayalam in www.keralaagriculture.gov.in and also in www.karshikakeralam.gov.in.

The department has also established a Virtual Classroom and Video Conferencing Facility connecting Office of the Minister of Agriculture, Office of the Agricultural Production Commissioner, Secretary to Government (Agriculture), Directorate and all

District Offices.

Project background

Consequent to the floods in 2018 and 2019, the Government have decided to implement the division of the State in to different Agro Ecological Zones (AEZs) and Agro Ecological Units (AEUs) for the integrated development of agriculture as a production sector as part of the 'Rebuild Kerala Initiative' (RKI).

The AEZs were demarcated on the basis of soil and other geographical factors for determining crops, crop management techniques and use of inputs appropriate for each zone. The AEZ based development for the revival of agricultural sector call for a major shift in our development perspectives since it also demands the sustenance of our agro eco systems. Technological and institutional changes and innovations through ICT tools have a greater role to play in this regard, if provided with adequate funds, policy support and through effective change management. The lack of context-appropriate software, prohibitive cost of hardware and lack of supporting infrastructure makes it difficult to make ICT interventions in time to support farming community.

The Department of Agriculture Development and Farmers Welfare has already taken up measures to address these issues, and a comprehensive solution named "Agriculture Information Management System (AIMS)" has been envisioned and the Department started working on it. The first module of AIMS named SMART (System for Monitoring Agricultural Relief Transactions) has been developed with the help of NIC and is undergoing field use. SMART is the first and foremost initiative to build a Comprehensive Agricultural Database (CAD) for Kerala and a claim processing suite which is primarily focused to capture the data on Natural Calamity Damages in Crops, its extend and also to give a real-time insight into the field problems.

Objectives

The major objectives of the project are:

- * Mine data, perform analytics and derive meaningful new insights and decision points, and
- * Faster and improved e-governance services covering the entire farming cycle.

Goal of the project

To transform the strategy of development of agriculture from an input-intensive to an 'information and knowledge-based process' for achieving sustainability.

Specific objectives of the project

The specific objectives of the project include:

- (1) Office Automation through implementation of e-Office and
- (2) Implementation of 'Agriculture Information Management System' (AIMS)

1) Office Automation through implementation of e-Office.

The e-Office product pioneered by National Informatics Centre (NIC) aims to support governance by using in more effective and transparent inter and intra-government processes. With this system, the movement of receipts and files becomes seamless and there is more transparency in the system since each and every action taken on a file is recorded electronically.

2) Implementation of Agriculture Information Management System (AIMS)

AIMS, is an integrated system being developed for the Department of Agriculture & Farmers Welfare to streamline its administrative activities in an efficient and accountable manner and to provide services to farmers in an effective and transparent manner and within the shortest possible time, with the help of Information and communication Technology. The major components envisaged under AIMS which will cover the entire farming cycle (which include 'pre-cultivation' and 'crop cultivation and harvesting') are listed below:

Pre-cultivation

- Farmer Data Base (FDB)
- Seed –Certification and Regulation (SCR)
- Input managers/manufacturers registration/Licensing
- Knowledge Management in Agriculture (KMA)
- Electricity subsidy for agriculture (ESA)

Crop cultivation and harvesting

- Farmers help Desk System (FDS), which include:
 - Agro-Advisory and Extension Services (ADES)
 - E-Alerts and e-Notifications
- Claim processing and monitoring system (CPMS) for all scheme-based services
- Mechanization and Agro Service Centres
- Disease and Pest Management System (DPMS)
- System for Monitoring Agriculture Relief Transaction (SMART)

- State Crop Insurance Scheme (SCIS)
- Centralized Direct Benefit Transfer (CDBT) System

General

- Asset Monitoring and Management System (AMMS)
- Institutional Directory and Profile (IDP)

2.1 Farmer Data Base (FDB)

A portal (Subiksha Keralam Karshaka Registration Portal) has been developed for registration of Individuals, Groups as well as Institutions as part of implementation of “Subiksha Keralam-Samyojitha Bhakshya Suraksha Padhathi” which will be also used for the verification, processing, sanctioning of subsidy and disbursement of payment to the beneficiaries.

2.2 Seed –Certification and Regulation (SCR) System

Seed is the basic and most critical input for sustainable agriculture. The response of all other inputs depends on quality of seeds to a large extent. It is estimated that the direct contribution of quality seed alone to the total production is about 15 – 20 per cent depending upon the crop and it can be further raised up to 45 per cent with efficient management of other inputs. The Indian seed programme largely adheres to the limited generations’ system for seed multiplication in a phased manner. The system recognizes three generations namely breeder, foundation and certified seeds and provides adequate safeguards for quality assurance in the seed multiplication chain to maintain the purity of the variety as it flows from the breeder to the farmer.

The proposed Seed Certification and Regulation (SCR) will have two components:

- (i)** Component one is intended for the implementation of provisions under the Seed Act in the state and to ensure quality seed and planting materials to the farmers, and
- (ii)** The second component is to streamline and monitor the Registered Seed Growers Programme (RSGP) being implemented by the Department.

2.3 Input managers/manufacturers registration/Licensing (IMR)

The Department of Agriculture Development and farmers Welfare is also responsible for the implementation of the provisions of the Fertilizer [Control] Order, 1985 and its subsequent amendments. A separate module is envisaged under AIMS for the registration and issue of licence to manufactures/traders/input dealers and pesticides. This also include a Fertilizer/Pesticide Quality Control System (F/PQCS) which is a work flow application developed for the processing of fertilizer samples collected and send to Fertilizer /Pesticide Quality Control Laboratories (F/PQCLs) in the state for

testing.

2.4 Knowledge Management in Agriculture (KMA)

Information on supply of input knowledge, credit, market prices, pest, diseases are essential to communities. Management in time and space between knowledge and input delivery systems is essential to communicate credibility to the extension message. Accessing information in rural locations is become difficult and costly to deliver information to farmers, extension workers due to changing pattern of information revolution.

2.5 Electricity subsidy for Agriculture (ESA)

Electricity at concessional agricultural tariff was being allowed for lift irrigation or dewatering or pumping of water for the traditional crops like coconut, arecanut, paddy etc with or without intercropping or mixed cropping.

The entire process from registration of applications up to issue of certificate to farmers from the Department of Agriculture for submission to the Kerala State Electricity Board (KSEB) is being done manually ad hence no real time data of the number of beneficiaries and connections established. It is the need of the hour to have a real time data base of the farmers who have availed electricity subsidy, their cropping pattern, consumption pattern etc. Hence the scheme is to be automated and included under AIMS to streamline the process of implementation of the scheme and for future planning and decision making.

System which will provide various Agro Advisory and Extension Services, which include e-alerts and e-notifications.the proposed AIMS also include a Farmer's Help Desk (FHD).

2.6 Farmers Help Desk System (FHD)

The proposed AIMS also include a Farmer's Help Desk (FHD) System which will provide various Agro Advisory and Extension Services, which include e-alerts and e-notifications.

2.7 Claim Processing and Monitoring System (CPMS) for all scheme- based services

The Department implements 33 major State Plan Schemes (SPC) with 160 sub-components annually. The Department is also implementing various Central Sector Schemes (CSS). During the year 2018-19, the total budget allocation and expenditure for state and central level schemes was ₹ 901.62 crore and ₹698.84 crore respectively.

Online claim processing module linked to SMART Farmer database is being developed for better efficiency, utility and transparency. As an initial step, SMART (System for Monitoring Agricultural Relief Transaction) is being launched for reporting, processing, and payment of Natural Calamity relief to farmers. This software can be customized for all the schemes of the Department as Claim Processing Suite Software.

2.8 Mechanization and Agro Service Centres

Mechanization of agriculture is an essential input in modern agriculture. It also enhances productivity, reduce human drudgery and the cost of cultivation. Mechanization also helps in improving utilization efficiency of other inputs, safety and comfort of the agricultural worker, improvements in the quality and value addition of the produce.

2.9 Agro Service Centre (ASCs) and Automated System for Agro Services and Hiring centre Activities (ASHA)

It is necessary that various requirements of farmers viz., inputs, machinery and other information are brought under a common platform. In order to meet this objective, Agro Service centres were established by the Department at Block level to facilitate technology and service delivery. Necessary modifications have to be made in ASHA and needs to be accountable for all the ASCs in the State. Hence this component is also included under AIMS.

2.10 Disease and Pest Management System (DPMS)

Agricultural pests and diseases are significantly undermining food availability by diminishing crop yields through both pre-harvest and postharvest losses. Reducing crop losses due to pests and diseases is vital to crop production since it can affect both the income security of farmers as well as the food security. Introducing appropriate ICT technologies to address and these issues is a powerful means of strengthening the present agricultural extension systems

The AIMS also intended to provide the following two applications under the Disease and Pest Management System.

(a) Crop e-Clinics

(b) e-Pest Surveillance and Management (e-PSM) system for the Kuttanad AEZ

2.11 System for Monitoring Agriculture Relief Transaction (SMART)

System for Monitoring Agriculture Relief Transaction (SMART) is one of the major components of AIMS which provides workflow based claim processing suite for processing applications from farmers to avail benefits from Government. One Time

Registration facility is available for farmers to get themselves registered in SMART and the registered farmers will be provided with a personalized dashboard. SMART Registration ID can be utilized to avail various services from department in future.

The software will enable the department to process the applications more effectively and, in a time bound manner. It also helps in the timely disbursement of assistance to flood affected farmers in a transparent manner through the Centralized Direct Benefit Transfer (CDBT) System to the bank account of end beneficiaries.

As an initial step, SMART is being used for reporting, processing, and payment of Natural Calamity relief to farmers. This software is being customized for all the other schemes of the Department (33 schemes and 160 components) as 'Claim Processing Suite' Software, which will enable the entire chain of actions right from the processing of online applications from farmers to the disbursement of eligible assistance through Centralised Direct Benefit Transfer within the shortest possible time, ensuring quick and efficient delivery of services.

2.12 State Crop Insurance Scheme (SCIS)

The crop Insurance Scheme was operational in the State since 1995 covering 25 major crops. The SCIS was restructured in the year 2016-17 by bringing considerable enhancement in the rate of crop loss compensation and the number of crops included. The crop Insurance fund is operated with contributions from the participating farmers by way of registration fee and premium along with contribution from Government. The amount earmarked for the SCIS was ₹2000 lakhs during 2019-20.

The number of farmers enrolled under the CSIS is too low and the department has initiated steps for increasing the coverage of the scheme during the year 2019-20. It is also learned that the manual system followed for the implementation of the scheme is one of the major bottlenecks for the effective implementation of the scheme and hence to be integrated with the SMART and AIMS.

2.13 Centralized Direct Benefit Transfer (CDBT) System

The present system of DBT is decentralized and includes multiple tiers. The Department has initiated measures to switch over to Centralized Direct Benefit Transfer (CDBT) system of assistance to the farmers, which will make the process more efficient, transparent, and beneficial to farmers. The CDBT is also part of the AIMS and the process will be initiated in this financial year itself.

Constitution of Centralized Direct Benefit Transfer Management Cell (CDBT Management Cell)

Agriculture Development and Farmers' Welfare department is one of the largest departments in the state covering over 1400 offices and 8000 staff belonging to

different categories with sub offices in every Panchayath of the State. This requires constitution of a Centralized Direct Benefit Transfer Management Cell (CDBTM Cell) to oversee this huge task of bill generation, payments and rejection management and monitoring for the entire state, working under the direct supervision of Accounts Division.

2.15 Other Modules under AIMS for structural transformation

- i) Asset Monitoring and Management System (AMMS)
- ii) Institutional Directory and Profile (IDP)

Other supporting activities for the successful implementation of AIMS

The most essential requirement of the successful implementation of AIMS is the provision of Hardware, Networking and Connectivity for all offices under Department.

Other supporting activities include:

- Integration of all other Schemes of the Department to SMART module of AIMS,
- Integration of all other Central Sector Schemes to SMART module of AIMS,
- Development of mobile based applications for integration with AIMS,
- Development of data bases for integration with AIMS,
- Development and integration of on-line Auditing module. System will generate sufficient reports and Audit trails for the audit team to carry out their business,
- Management Information System (MIS) Report/Analytical,
- Role based Dash Boards for real time information, monitoring and evaluation.

Gap analysis

A Gap Analysis was done for providing a way to measure the investment in time, money and human resources that are needed to achieve the overall objectives of the project.

Gap analysis was done in terms of the following:

1) Software: Customized software packages are to be created to suit the specific needs of the Department so that the activities of the department are streamlined and efficient and hence the services to the farmers.

2) Hardware, Infrastructure and Connectivity: Only by providing sufficient hardware, infrastructure and connectivity the ICT solutions can be implemented effectively with optimum results. The procurement of hardware for the present project will be made through the Centralized Procurement and Rate Contract System (CPRCS) of the Government of Kerala.

3) Training and Capacity building: Training requirements for conducting TNA and for the conduct of various training to major stakeholders including administrative and technical staff of the department and farmers are proposed in the project

4) Hand-holding support: It is suggested to provide hand-holding support to 1400 offices/institutions under the Department of Agriculture for hand-holding for a period of one year in connection with the implementation of 'office automation'.

5) Integration with existing applications: There are a number of applications and portals developed by the Department of Agriculture, cooperation and farmers Development, Government of India, which are being used by all the states and Union territories. Integration with such portal will be beneficial and for the effective dissemination of information, updation and also for sharing of services.

Estimated Project Cost

Sl. No.	Component/Sub component	Proposed expenditure (₹)
1.	Cost of development of software	
	Cost of development of AIMS to NIC and handholding support & Development of Digital Media Library and establishment Digital Media Server and required hardware	2,50,00,000
2.	Hardware requirements	
(a)	Hardware	9,91,14,000
(b)	Networking	74,29,000
(c)	Connectivity	2,35,80,058
3.	Hand-holding support	1,21,80,000
4.	Capacity building and empowerment, Training/ Change Management	77,00,000
TOTAL		₹17,50,03,058/-
Project cost revised to ₹12 crore (Rupees Twelve crore only)**		

** in compliance of directions under para 3 in this G.O.

Project Phasing and Activities

The project is envisaged to be completed in two phases. The time period and activities under which the various components of the project are to be completed are shown below:

Phase One: From 01.04.2020 to 31.03.2021

Phase Two: From 01.04.2021 to 31.03.2022

Deliverables

- Comprehensive data base of farmers with land and crop details
- Seed Certification and Regulation ensuring seed requirements, production plan for quality planting materials and seeds and its timely availability
- Regulation of Fertilizer and Pesticides- its manufacture, transport and distribution, registration and licensing
- Assessment of requirements and stock position, transport and distribution of inputs ensured with information on prices and availability
- Efficient knowledge management in agriculture includes the farmers, farmer organizations, policy makers, extension agent, and scientists
- Dissemination and sharing of agricultural knowledge through value added information products in print, electronic and web approach
- Expansion of e-resources on agricultural knowledge and information with respect to different Agro Ecological Zones
- Capacity building for agricultural knowledge management to extension functionaries
- Comprehensive data base of farmers availing Electricity Subsidy with geo tagging of land, profile of their land use and cropping pattern facilitating assessment and policy decision making for sustainable use of resources
- Advisories to farmers related to crops and management, weather, pests and diseases, services from the department and on market demands and prices
- Alerts to farmers related to occurrences of natural calamities
- Easy processing of applications, claim processing and approval facilitating timely disbursement of assistance to farmers from the department through the proposed Centralized Direct Benefit Transfer (CDBT)
- Farmers can avoid unnecessary visit to Krishi Bhavans since alerts on various assistance and status of claims will be intimated through mobiles

- Farmers can avail the services of machinery, implements and labour directly from Agro Service Centres without accessing the Krishi Bhavans
- Crop e-Clinic support to famers for getting information and recommendations on pest and disease management with back-end support of multidisciplinary team involving officials and subject matter specialists from Research Institutions and KAU
- Farmers can take prophylactic measures to minimise the incidence of pests and diseases
- Quick verification and processing of claims during the period of natural calamities and timely delivery of relief assistance
- Ensure maximum enrolment of farmers for State Crop Insurance Scheme and timely delivery of assistance through Centralised Direct Benefit Transfer (CDBT)

- Early payment of assistance due to farmers under various schemes through Centralized DBT by avoiding the multiple layers in the transaction of funds
- Institutional directory and profile of officials enables easy identification access of the right institution/personnel

- Scientific management of assets ensure accountability and sustainable use. Also helps in assessing the requirements for replacement and updation
- Increased efficiency of services to farmers by ensuring transparency and accountability
- Promotion of professional capabilities of the extension functionaries through enhanced knowledge, working environments and supporting systems
- Ensure systematic planning and decision making by the use of data base generated at various levels
- Streamlining of the administrative mechanism enabling efficient use of manpower, technology and knowledge-based systems

Conclusion

The automation of the Department of Agriculture is the approved policy of the Government of Kerala which will streamline the entire administrative process of the Department and will also help in reliving the extension functionaries with more time for attending field oriented extension activities. The integrated solution, AIMS ensures multiple services to farmers including various information, advisories, early warning alerts, pest and disease management services and transfer of assistance through CDBT. Centralized registration, licensing and monitoring of production, sales and distribution of critical auricular inputs viz, seeds, fertilizers and pesticides will also ensure better services to farmers.

GOVERNMENT OF KERALA

Abstract

Planning and Economic Affairs (RKI) Department – Development of Kaippad Organic Tided wetlands of Northern Kerala through Mechanised farming, Rice Germplasm Conservation and Biodiversity based farming- Implementation- Administrative Sanction accorded – Orders issued.

PLANNING & ECONOMIC AFFAIRS (RKI) DEPARTMENT

GO (Rt.) No.19/2020/P&EA

Thiruvananthapuram, Dated 09/01/2020

- Read: 1. G.O. (P) No. 16/2018/P&EA dated 09/11/2018.
2. G.O. (P) No. 19/2019/P&EA dated 23/05/2019.
3. Minutes of the 5th HLEC meeting held on 06/07/2019.
4. Minutes of the 6th HLEC meeting held on 11/10/2019.
5. Minutes of the 7th HLEC meeting held on 21/11/2019.
6. G.O. (Ms) No. 34/2019/P&EA dated 12/12/2019.

ORDER

- The Department of Agriculture submitted project proposal on the Development of Kaippad Organic Tided wetlands of Northern Kerala through Mechanised farming, Rice Germplasm Conservation and Biodiversity based farming, for implementation under Rebuild Kerala Initiative.
2. Coastal wetlands of North Kerala which is popularly known as Kaippad has peculiar ecosystem with respect to soil fertility, biodiversity, biotic and abiotic stress tolerance systems. It is a saline prone and naturally organic rice production tract falling in Kozhikode, Kannur and Kasargod districts of Kerala state in 3100 hectares. The Kaipad system is critical to smallholder farmers in the highly populated coastal region of North Kerala where traditional methods of agriculture and fishery are prevalent.
 3. Kaippad is a unique traditional rice farming and fishing system in coastal brackish water marshes of North Kerala. The network of backwaters and estuaries in these coastal areas serves as an inlet of sea water and creates

- an integrated organic farming system in which rice cultivation and aquaculture go together.
4. Farming in the Kaipad system is purely in a natural way relying only on the monsoon and the sea tides. The rice produce obtained from Kaipad is purely organic. There is great potential for marketing organic rice in the domestic market as well as in the international market. However, the farmers could not exploit this vast potential till date as they are small and marginal farmers.
 5. Most of the coastal wetlands of North Kerala -Kaipad - either lie fallow or produce low yields. The average rice yield is about 2000 kg/ha., making rice cultivation in this region unprofitable.
 6. Certain initiatives, which are listed below, have been taken so far for the development of Kaipad rice tracts to promote rice cultivation after development of high yielding Kaipad rice varieties.
 - Malabar Kaipad Farmers' Society (MKFS), having areas of jurisdiction Kozhikode, Kasaragod and Kannur districts, was formulated and registered.
 - Malabar Kaipad Farmers' Society was partially equipped with trained food security army, Panchayath level front office, farm machineries, website, documentary for awareness, organic seeds to raise organic seed villages of newly released varieties.
 - Geographical Indication tag for Kaipad rice has been approved.
 - Innovative Farm Mechanization Package have been introduced in Kaipad area.
 - The Food Security Army have been trained on total Agricultural mechanization.
 - Service charge of Food Security Army for each activity was fixed on the basis of quantity of work.
 - The Malabar Kaipad Farmers' Society has started seed village programme in Kaipad rice tract and also wetland rice tract during first crop season of 2011 in a small scale manner.
 - Farmers accepted the machine for taking ridges as against the conventional practice of preparing mounds by using long spades.

7. The present project aims for the comprehensive development of the saline prone and naturally organic rice production tract spread in the 3 districts -*Kannur, Kozhikode and Kasaragod* by consolidating the efforts already taken. The main objective is to increase the productivity and diversity of farming in the coastal agro ecosystems of Kaippad with focus on improving livelihoods of small and marginal farmers. Following are the activities envisaged under the project.

i. Kaipad Research and development centre at Kaipad tract in Kannur district:

It is envisaged to establish Kaipad Research and development centre by constructing building of plinth area 3500 sq.feet in the land of Cherukunnu Grama Panchayath. The centre will have facilities for procuring, processing and marketing organic paddy, seed and rice. It will also house organic agriculture input production units namely, bio-pharmacy unit, small scale organic manure units like animal husbandry of traditional cows and traditional poultry, duck, vermin compost unit, azolla and other organic manure units. The centre will also accomodate research facilitation cum training centre for coastal wetlands of North Kerala.

ii. Mechanization of marshy Kaipad which is not attained so far:

Mechanization of coastal wetlands is a demand of coastal rice farmers for long, which is not yet materialized. As the coastal tract is marshy and flooded, mechanization, right from land preparation to harvest is not materialized so far except bund formation by a tractor-driven bund former which is also possible when the land is dried. In order to tap the workforce of young generation, this tract should be mechanized from land preparation stage to harvest, for which extensive trials with various types of existing/ import farm machineries are required. Similarly, in North Kerala, ordinary wetlands, which are also not mechanized fully, has to be taken care of. The Agro-service centre envisaged within the centre has to be furnished with required farm machineries.

iii. Conservation of the precious Kaipad rice ecosystem which is naturally organic from time immemorial and conservation of its traditional and improved rice germplasm along with the rich floral and faunal biodiversity of the naturally organic Kaipad tract:

It is envisaged to achieve this objective through strengthening the infrastructural facilities of coastal wetlands of North Kerala and converting the huge fallow land of organic Kaipad tract into productive land, utilizing the newly developed high yielding Kaipad rice varieties on a model basis.

iv. Production and distribution of organic paddy seeds of Kaipad tract and Kaipad rice:

Mass production of Truthfully labelled organic seeds of Kaipad varieties through community seed bank concept to supply to Agriculture department for large scale production of certified seeds through registered programme.

v. Strengthening the marketing facilities of organic Kaipad rice utilizing recently granted Geographical Indication (GI) tag:

Procurement, Processing & Marketing of organic Kaipad rice establishing a centre for this purpose in Kaipad tract, utilizing Geographical Indication tag of Kaipad rice received by Malabar Kaipad Farmers' Society. Additional assets will be made available in the centre for paddy and seed storage facilities, parboiling facilities, drying yard, rice mill, packaging & marketing facilities, machine for weighing, cleaning, packing, testing, grading, storing, machinery for by-products of organic rice like rice flake, bran and bran oil etc.

vi. Empowering woman and SC &ST farmers and youth in farm mechanization, organic rice farming, and in production of inputs and allied agricultural processed items:

Even though agriculture sector started converting to mechanization in Kerala, the women farmers, whose labour is extensively used during crucial stages of crop production, efforts are not taken much to make

aware or train them properly in mechanization. An intensive capacity building training for women to ensure sustainable availability of work force for crop production and value addition will be carried out.

vii. Trainings/ workshops/ conference/ farm visits/ awareness Seminars/ documentation/ publication.

These are required for human resource development as well as for creating awareness among farmers and public on organic farming, mechanization, seed production and in other related input production activities.

8. Following is the budget estimates for the activities as envisaged above:

Item	Amount (in lakh)		
	Year I	Year II	Total
A. Construction			
Two storied building at Kaipad Panchayath for Kaipad Research & Development centre(3125 sq.ft), including water supply, electrification, rain water harvesting, well, and compound wall Including Agro service centre	80.26	--	80.26
Drying yard with facilities	17.25	..	17.25
Organic Agriculture input production units	15.17	..	15.17
Organic marketing unit	26.50	..	26.50
Total	139.18	..	139.18
B. Permanent equipments/ Machinery			
1. Equipment, Machinery & accessories at Kaipad Research and Development centre			
Parboiling cum rice mill with all accessories:- Paddy Cleaning, Destoner with Aspirator & Grader, Washing & Soaking Tank, Boiler, Stage Pump & Motor, Pipeline & fittings, Belt Conveyor, Drier Heat Exchanger Tank, Blower and all accessories, Rubber Huller (Rubber Sheller) and accessories, Huller with Fan Box, Destoner with Aspirator &	...	40	40

Grader, Storage tank, Electrical Panel Board, various Elevators and like other accessories			
Rice Bagging Equipment	..	3	3
Portable LCD set for training	..	0.5	0.5
Computer and accessories	..	0.35	0.35
Weighing balance 100 kg capacity digital (1 No.)	..	0.15	0.15
Seed, paddy and rice storage bins (30no.s)	..	1.00	1.00
Kaipad Mobile clinic (1 No.)	..	10	10
Sub Total	..	55.0	55.0
2. Equipments/ machinery for agro service centre			
Mini Excavator with Pantoon	..	30	30
Yanmar Riding type Transplanter	..	14	14
Tractor attached Water Pumping System	..	3	3
Tractor attached Hydraulically operated Rotavator	..	1.5	1.5
Tractor attached Hydraulically operated Ridger and Bed former	...-	1.5	1.5
Sub Total	..	50.0	50.0
Total	..	105.0	105.0
C. Other project cost			
Conservation of Kaipad traditional germplasm and improved varieties	1	1	2
Lab Furniture/ fixtures at research facilitation cum training centre	..	4	4
Empowering women, SC &ST farmers, food security army of MKFS and youth in farm mechanization, organic rice farming, and in production of inputs and allied agricultural processed items	4	2	6
Setting up of Agro service centre including infrastructure and office facilities	..	6.0	6.0
Demonstration trials	2.5	2.5	5.0
Training/ Awareness seminars/ farm visit/ documentation/ publication	3	3	6.0

Operational cost	5	5	10.0
Seed procurement charge and corpus fund for revolving fund	1	2	3
Fuel/ hire charges	1	1	2
Stationary/ printing/ consultation/ service charges	1	1.32	2.32
Unforeseen	0.75	0.75	1.50
Sub Total	19.25	28.57	47.82
D. TA	0.5	0.5	1.0
E. Operational cost for stakeholders society	0.5	0.5	1.0
F. Administrative expenditure	3.0	3.0	6.0
Grand total	162.43	137.57	300.00

9. The project will be implemented in a period of two years by the Department of Agriculture through the Malabar Kaipad Farmers' Society (MKFS) in collaboration with the Kerala Agriculture University.
10. The HLEC, in its meeting held on 21/11/2019, the minutes of which read as 5th paper above, approved the project report and the estimates thereto. The Government, as per the G.O. read as 6th paper, have ordered to take up the project under Rebuild Kerala Initiative by sourcing required funds from the Development Policy Loan from World Bank.
11. In the circumstances, the Government are pleased to accord Administrative sanction for the implementation of the project '**Development of Kaippad Organic Tided wetlands of Northern Kerala through Mechanised farming**' as detailed in the previous paras at an estimated cost of **Rs.300 lakh** (Three Hundred lakh only) under RKI by sourcing requisite funds from the Development Policy Loan. The expenditure in this regard will be debited to the head of account "5475-00-115-94-Post flood Projects under Rebuild Kerala Initiative (P)".
12. The Department of Agriculture shall formulate an effective monitoring mechanism for the timely completion of the project. All mandatory clearances from relevant departments shall be obtained wherever applicable. All

procurements as part of implementation of the work and selection of beneficiaries shall be done in a fair and transparent manner in accordance with the extant rules.

 2. 24/12/2020 ലെ സഉ(കൈ) നമ്പർ. 200/2020/തസ്വഭവ
 3. തദ്ദേശ സ്വയംഭരണ വകുപ്പ് ചീഫ് എൻജിനീയറുടെ 19/07/2021 ലെ ഡിബി4/CMLRRP/20/സിഇ/എൽ.എം.ഡി&ഇഡബ്ല്യൂ

ഉത്തരവ്

പരാമർശം (1), (2) എന്നിവയിലെ സർക്കാർ ഉത്തരവുകൾ പ്രകാരം മുഖ്യമന്ത്രിയുടെ ദുരിതാശ്വാസ നിധിയിൽ നിന്നും 1000 കോടി രൂപാ മുഖ്യമന്ത്രിയുടെ തദ്ദേശ റോഡ് പുനരുദ്ധാരണ പദ്ധതിയായി (CMLRRP) അനുവദിച്ചിരുന്നു. മുഖ്യമന്ത്രിയുടെ ദുരിതാശ്വാസ നിധിയിൽ നിന്നും അനുവദിച്ച 1000 കോടി രൂപയിൽ നാളിതുവരെ 945.1145 കോടി രൂപയുടെ റോഡ് പ്രവൃത്തികൾക്ക് ഭരണാനുമതി നൽകിയിട്ടുണ്ട്.

നാളിതുവരെ ഭരണാനുമതി നൽകിയ പ്രവൃത്തികളിൽ 75 പ്രവൃത്തികൾക്ക് നൽകിയിട്ടുള്ള ഭരണാനുമതിയിൽ ഭേദഗതി വരുത്തുന്നതിനും 5 പ്രവൃത്തികളുടെ ഭരണാനുമതി റദ്ദാക്കുന്നതിനും ആവശ്യമായ നടപടികൾ സ്വീകരിക്കണമെന്ന് പരാമർശം (3) പ്രകാരം തദ്ദേശ സ്വയംഭരണ വകുപ്പ് ചീഫ് എൻജിനീയർ അഭ്യർത്ഥിച്ചിരുന്നു.

സർക്കാർ ഇക്കാര്യങ്ങൾ വിശദമായി പരിശോധിച്ചു. മുഖ്യമന്ത്രിയുടെ തദ്ദേശ റോഡ് പുനരുദ്ധാരണ പദ്ധതിയ്ക്കു(CMLRRP) കീഴിൽ നാളിതുവരെ ഭരണാനുമതി നൽകിയിട്ടുള്ള പ്രവൃത്തികളിൽ ഈ ഉത്തരവിനൊപ്പം അനുബന്ധമായി ചേർത്തിട്ടുള്ള 75 പ്രവൃത്തികളുടെ ഭരണാനുമതിയിൽ ഭേദഗതി വരുത്തിയും 5 പ്രവൃത്തികളുടെ ഭരണാനുമതി റദ്ദാക്കിയും ഉത്തരവ് പുറപ്പെടുവിക്കുന്നു.

ഇതോടെ മുഖ്യമന്ത്രിയുടെ തദ്ദേശ റോഡ് പുനരുദ്ധാരണ പദ്ധതിയ്ക്കു(CMLRRP) കീഴിൽ നാളിതുവരെ ഭരണാനുമതി നൽകിയിട്ടുള്ള പ്രവൃത്തികളുടെ അടങ്കൽ തുക 947.1375 കോടി രൂപയായി വർദ്ധിക്കുന്നതാണ്.

2 18.03.2020 തീയതിയിലെ സ.ഉ (കൈ) നം.49/2020/ ത.സ്വ.ഭ.വ ഉത്തരവ്

ഉത്തരവ്

2018, 2019 ലെ പ്രളയത്തിൽ തകർന്നതും, 14 ജില്ലകളിലെയും തദ്ദേശ സ്വയംഭരണ സ്ഥാപനങ്ങളുടെ കീഴിൽ വരുന്നതും, എന്നാൽ റീബിൽഡ് കേരള ഇനിഷ്യേറ്റീവിൽ ഉൾപ്പെടുത്താത്തതുമായ റോഡുകളുടെ പുനരുദ്ധാരണത്തിന് "മുഖ്യമന്ത്രിയുടെ തദ്ദേശ റോഡ് പുനരുദ്ധാരണ പദ്ധതി" [Chief Minister's Local Roads Rebuild Project (CMLRRP)] എന്ന പേരിൽ ഒരു പുതിയ പദ്ധതി നടപ്പിലാക്കുന്നതിനായി 961.264 കോടി രൂപ മുഖ്യമന്ത്രിയുടെ ദുരിതാശ്വാസനിധി (CMDRF)യിൽ നിന്നും പരാമർശം (1) ഉത്തരവ് പ്രകാരം അനുവദിച്ചിട്ടുണ്ട്.

2) പ്രസ്തുത പദ്ധതിയുടെ ആദ്യഘട്ടമായി സംസ്ഥാനത്തെ വിവിധ തദ്ദേശ സ്വയംഭരണ സ്ഥാപനങ്ങളുടെ കീഴിൽ വരുന്ന 2011 പ്രവൃത്തികൾ ക്കായി 354,59,31,290/- (മൂന്നുറ്റി അൻപത്തിനാല് കോടി അൻപത്തൊൻപത് ലക്ഷത്തി മൂപ്പത്തി ഒന്നായിരത്തി ഇരുന്നൂറ്റി തൊണ്ണൂറ് രൂപ മാത്രം) രൂപ മുഖ്യമന്ത്രിയുടെ ദുരിതാശ്വാസനിധി (CMDRF)യിൽ നിന്നും വിനിയോഗിക്കുന്നതിന് പരാമർശം (2) പ്രകാരം ഭരണാനുമതി നൽകിയിട്ടുണ്ട്.

3) ടി പദ്ധതിയുടെ രണ്ടാംഘട്ടമായി സംസ്ഥാനത്തെ വിവിധ തദ്ദേശ സ്വയംഭരണ സ്ഥാപനങ്ങളുടെ കീഴിൽ വരുന്ന 2118 പ്രവൃത്തികൾ ക്കായി 388,43,09,090/- (മൂന്നുറ്റി എൺപത്തിയെട്ട് കോടി നാൽപ്പത്തിമൂന്ന് ലക്ഷത്തി ഒൻപതിനായിരത്തി തൊണ്ണൂറ് രൂപ മാത്രം) രൂപ മുഖ്യമന്ത്രിയുടെ ദുരിതാശ്വാസനിധി (CMDRF)യിൽ നിന്നും വിനിയോഗിക്കുന്നതിന് ഭരണാനുമതി നൽകി ഉത്തരവ് പുറപ്പെടുവിക്കുന്നു.

4) പദ്ധതിയുടെ നിർവ്വഹണം ബന്ധപ്പെട്ട തദ്ദേശ സ്വയംഭരണ സ്ഥാപനങ്ങൾ മുഖേന നടത്തേണ്ടതാണ്. മരാമത്ത് പണികൾക്ക് പ്ലാൻ ഫണ്ടിൽ പാലിക്കേണ്ട എല്ലാ നിബന്ധനകളും ടി പ്രവൃത്തികളുടെ നിർവ്വഹണത്തിന് ബാധകമായിരിക്കും. പ്രസ്തുത റോഡുകളുടെ പ്രവർത്തനവും പരിപാലനവും 2 വർഷത്തേക്ക് ഉറപ്പുവരുത്തണമെന്ന നിബന്ധനയോടെ ടെൻഡർ നടപടികൾ സ്വീകരിക്കേണ്ടതാണ്. പ്രവൃത്തി പൂർത്തീകരിച്ചു കഴിഞ്ഞാൽ ബിൽ തുക അനുവദിക്കാൻ ആവശ്യമായ അലോട്ട്മെന്റ് ബന്ധപ്പെട്ട നിർവ്വഹണ ഉദ്യോഗസ്ഥർ ചീഫ് എഞ്ചിനീയർക്ക് സമർപ്പിക്കേണ്ടതാണ്.

5) ടി പ്രവൃത്തി പൂർത്തീകരിച്ച് പദ്ധതിയുടെ പേര് ആലേഖനം ചെയ്ത ഒരു ബോർഡ് പ്രവൃത്തി

സ്ഥലത്ത് സ്ഥാപിക്കേണ്ടതാണ്. പ്രവൃത്തിയുടെ പ്രാദേശികതല മേൽനോട്ടത്തിന് തദ്ദേശ സ്വയംഭരണ സ്ഥാപനതല കമ്മിറ്റി ബന്ധപ്പെട്ട തദ്ദേശ സ്വയംഭരണ സ്ഥാപനം രൂപീകരിക്കണം. ഇത് കൂടാതെ ജില്ലാതലത്തിലെ എഞ്ചിനീയർമാരെ ഉൾപ്പെടുത്തി ഒരു സാങ്കേതിക സമിതിയും രൂപീകരിക്കണം.

6) രണ്ടാംഘട്ടത്തിൽ ഉൾപ്പെടുത്തുന്ന 2118 പ്രവൃത്തികളുടെ പട്ടിക അനുബന്ധമായി ചേർക്കുന്നു.

6. 28.07.2020 -ലെ സ.ഉ.(കൈ)നം.113/2020/തസ്വഭവ ഉത്തരവ്.

ഉത്തരവ്

2018, 2019 ലെ പ്രളയത്തിൽ തകർന്നതും തദ്ദേശ സ്വയംഭരണ സ്ഥാപനങ്ങളുടെ കീഴിൽ വരുന്നതുമായ റോഡുകളുടെ നവീകരണ പ്രവൃത്തികൾക്കായി പരാമർശം 1 പ്രകാരം "മുഖ്യമന്ത്രിയുടെ തദ്ദേശ റോഡ് പുനരുദ്ധാരണ പദ്ധതി" (Chief Minister's Local Roads Rebuild Project (CMLRRP)) എന്ന പേരിൽ പദ്ധതി നടപ്പിലാക്കുന്നതിനായി 961,264 കോടി രൂപ മുഖ്യമന്ത്രിയുടെ ദുരിതാശ്വാസനിധി (CMDRF)യിൽ നിന്നും അനുവദിച്ചു ഉത്തരവ് പുറപ്പെടുവിച്ചു. തുടർന്ന് പരാമർശം 2,3 ഉത്തരവുകൾ പ്രകാരം പദ്ധതിയുടെ 1, 2 ഘട്ടങ്ങളിലായി 2011 പ്രവൃത്തികൾക്കും 2118 പ്രവൃത്തികൾക്കുമായി യഥാക്രമം 354.59 കോടി രൂപയുടെയും 388.43 കോടി രൂപയുടെയും ഭരണാനുമതി നൽകി. പരാമർശം 4-ലെ ഉത്തരവ് പ്രകാരം 1, 2 ഘട്ടങ്ങളിൽ ഉൾപ്പെടുത്തിയിരുന്ന പ്രവൃത്തികളിൽ ഒഴിവാക്കേണ്ടവ ഒഴിവാക്കിയും ചില പ്രവൃത്തികൾക്ക് അധികതുക അനുവദിച്ചും ഭേദഗതി വരുത്തുകയും ആയതിന്റെ ഭാഗമായി ആകെ 868 പ്രവൃത്തികൾക്കായി 36,93,50,171 രൂപ അധികം അനുവദിക്കുകയും ചെയ്തു.

ടി പദ്ധതിയുടെ 3-ാം ഘട്ടമായി വിവിധ തദ്ദേശ സ്വയം ഭരണ സ്ഥാപനങ്ങളുടെ കീഴിൽ വരുന്ന 811 പ്രവൃത്തികൾ ഉൾപ്പെടുത്തി ഭരണാനുമതി നൽകി ഉത്തരവ് പുറപ്പെടുവിക്കണമെന്ന് ചീഫ് എഞ്ചിനീയർ പരാമർശം 5 പ്രകാരം അഭ്യർത്ഥിച്ചു. കൂടാതെ 1-ാം ഘട്ടത്തിലും 2-ാം ഘട്ടത്തിലും ഭരണാനുമതി ലഭിച്ച ചില പ്രവൃത്തികളുടെ ഭരണാനുമതിയിൽ ഭേദഗതി അനുവദിക്കണമെന്ന് ആവശ്യപ്പെട്ട് ജനപ്രതിനിധികളും തദ്ദേശ സ്വയംഭരണ സ്ഥാപനങ്ങളും ശുപാർശ ചെയ്തിട്ടുണ്ട്.

സർക്കാർ ഇക്കാര്യങ്ങൾ വിശദമായി പരിശോധിച്ചു. താഴെ പറയും പ്രകാരം ഉത്തരവാകുന്നു.

1. മുഖ്യമന്ത്രിയുടെ തദ്ദേശ റോഡ് പുനരുദ്ധാരണ പദ്ധതി (CMLRRP) പ്രകാരം ഒന്നും രണ്ടും ഘട്ടങ്ങളിൽ ഭരണാനുമതി നൽകിയിരുന്നവയിൽ അനുബന്ധം 1 ആയി ചേർത്തിരിക്കുന്ന പട്ടികയിൽ വിശദീകരിച്ചിരിക്കും പ്രകാരം 43 പ്രവൃത്തികളുടെ ഭരണാനുമതി അധിക തുകയായ 25 ലക്ഷം രൂപ കൂടി അനുവദിച്ചുകൊണ്ട് ഭരണാനുമതി ഭേദഗതി ചെയ്ത് ഉത്തരവാകുന്നു.

2. മുഖ്യമന്ത്രിയുടെ തദ്ദേശ റോഡ് പുനരുദ്ധാരണ പദ്ധതിയുടെ മൂന്നാം ഘട്ടമായി അനുബന്ധം 2 ആയി ചേർത്തിരിക്കുന്ന പട്ടികപ്രകാരമുള്ള 881 പ്രവൃത്തികൾക്ക് 173,64,81,200/- (നൂറ്റി എഴുപത്തിമൂന്ന് കോടി അറുപത്തിനാല് ലക്ഷത്തി എൺപത്തി ഒരായിരത്തി ഇരുനൂറ്) രൂപയുടെ ഭരണാനുമതി നൽകി ഉത്തരവാകുന്നു.

ഇത് സംബന്ധിച്ച് പുറപ്പെടുവിച്ച് പരാമർശം 6-ലെ ഉത്തരവ് റദ്ദ് ചെയ്യുന്നു. മേൽ പ്രവർത്തികൾക്ക് പരാമർശത്തിലെ മറ്റ് ഉത്തരവുകളിൽ നിർദ്ദേശിച്ചിട്ടുള്ള നിബന്ധനകൾ ബാധകമായിരിക്കും. ഈ ഉത്തരവും പ്രകാരമുള്ള ഭേദഗതികളോടെ പരാമർശം 2, 3, 4 എന്നിവയിലെ സർക്കാർ ഉത്തരവുകൾ നിലനിൽക്കുന്നതാണ്.

ഉത്തരവ്

2018, 2019 ലെ പ്രളയത്തിലും മഴമൂലമുണ്ടായ വെള്ളപ്പൊക്കത്തിലും തകർന്ന തദ്ദേശ സ്വയംഭരണ സ്ഥാപനങ്ങളുടെ റോഡുകളുടെ പുനരുദ്ധാരണത്തിന് "മുഖ്യമന്ത്രിയുടെ തദ്ദേശ റോഡ് പുനരുദ്ധാരണ പദ്ധതി" [Chief Minister's Local Roads Rebuild Project (CMLRRP)] എന്ന പേരിൽ ഒരു പുതിയ പദ്ധതി നടപ്പിലാക്കുന്നതിനായി 961.264 കോടി രൂപ മുഖ്യമന്ത്രിയുടെ ദുരിതാശ്വാസനിധി (CMDRF)യിൽ നിന്നും പരാമർശം (1) ഉത്തരവ് പ്രകാരം അനുവദിച്ചിട്ടുണ്ട്.

2) പ്രസ്തുത പദ്ധതിയുടെ ഒന്നാം ഘട്ടത്തിൽ 354,59,31,290/- രൂപയുടെ 2011 പ്രവൃത്തികള്ക്ക് പരാമർശം (2) പ്രകാരവും രണ്ടാം ഘട്ടത്തിൽ 388.43 കോടി രൂപയ്ക്കുള്ള 2118 പ്രവൃത്തികള്ക്ക് പരാമർശം (3) പ്രകാരവും ഭരണാനുമതി നൽകിയിരുന്നു.

3) മുഖ്യമന്ത്രിയുടെ തദ്ദേശ റോഡ് പുനരുദ്ധാരണ പദ്ധതിയിൽ ഉൾപ്പെട്ടിട്ടുള്ള പ്രവൃത്തികൾ മറ്റേതെങ്കിലും പദ്ധതികളിൽ ഉൾപ്പെട്ടിട്ടുണ്ടെങ്കിൽ ആയവ CMLRRP യിൽ നിന്നും ക്യാൻസൽ ചെയ്തും, കൂടാതെ ചില പ്രവൃത്തികളുടെ മെച്ചപ്പെട്ട രീതിയിലുള്ള പൂർത്തീകരണത്തിന് അനുവദിച്ച തുക അപര്യാപ്തമായതിനാൽ പുതുക്കിയ ഭരണാനുമതി ലഭ്യമാക്കുന്നതിന് അഭ്യർത്ഥിച്ചുകൊണ്ട് പരാമർശം (5) പ്രകാരം തദ്ദേശ സ്വയംഭരണ ചീഫ് എഞ്ചിനീയർ പ്രൊപ്പോസൽ സമർപ്പിച്ചിട്ടുണ്ട്.

4) സർക്കാർ ഇക്കാര്യം വിശദമായി പരിശോധിച്ചു. ഒന്നാം രണ്ടാം ഘട്ടങ്ങളിൽ ഭരണാനുമതി നൽകിയിരുന്ന 4129 പ്രവൃത്തികളിൽ 868 പ്രവൃത്തികൾക്ക് അനുബന്ധം I, II എന്നിവയിൽ ചേർത്തിരിക്കും പ്രകാരമുള്ള ഭേദഗതികൾ വരുത്തി 36,93,50,171 രൂപ കൂടി അധികം അനുവദിച്ചുകൊണ്ട് പുതുക്കിയ ഭരണാനുമതി ഉത്തരവ് പുറപ്പെടുവിക്കുന്നു.

5) പുതുക്കിയ ഭരണാനുമതി നൽകിക്കൊണ്ടുള്ള ഉത്തരവിലെ റോഡുകൾ Master List ലെ റോഡുകൾ തന്നെ ആയിരിക്കണമെന്ന് ചീഫ് എൻജിനീയർ ഉറപ്പ് വരുത്തേണ്ടതാണ്. ടി ഭേദഗതികൾ IKM വികസിപ്പിച്ച സോഫ്റ്റ് വെയറിലും വരുത്തേണ്ടതാണ്.

6) ടി പ്രവൃത്തികള്ക്ക് പരാമർശം (3), (4) ഉത്തരവുകളിലെ നിബന്ധനകള് ബാധകമാണ്. പരാമർശം (2), (3) ഉത്തരവുകള് മേല് ഭേദഗതികളോടെ നിലനില്ക്കുന്നതാണ്.
