3.1 Proviso to Section 20(1) of the Right of Persons with Disabilities Act, 2016, states that the appropriate Government may, having regard to the type of work carried on in any establishment, by notification and subject to such conditions, if any, exempt any establishment from the provisions of this Section.

3.2 Accordingly, if any Department in the State Government considers it necessary to exempt any post from the purview of reservation in promotion for persons with benchmark disabilities, it shall make a reference to the expert committee constituted by Government for the purpose, giving full justification for the proposal with regard to the type of work carried out in establishment. The orders issued by Government thereafter shall be final and further action taken accordingly.

4. NO DENIAL OF PROMOTION MERELY ON THE GROUND OF DISABILITY

4.1 In terms of sections 20(3) of the Rights of the Persons with Disabilities Act 2016, no promotion shall be denied to a person merely on the ground of disability. Further in terms of section 20(4) of the act, no Government establishment shall dispense with or reduce in rank an employee who acquires a disability during his or her service. As per the proviso to this subsection, if an employee, after acquiring disability is not suitable for the post he was holding, shall be shifted to some other post with the same pay scale and service benefits; This section further provides that if it is not possible to adjust the employee against any post he may be kept on a supernumerary post until a suitable post is available or he attains the age of superannuation whichever is earlier. Department through the Administrative Department concerned.

4.2 No benefit of reservation shall be given on the basis of temporary certificate of disability.

5. IDENTIFICATION OF POSTS

5.1 The Social Justice Department is in the process of identifying the posts suitable to be filled by PwBDs through recruitment and the physical requirement for all such posts will be notified by Government. The posts mentioned in the said notification will be used by the Heads of Departments to give effect to reservation in promotion to the PwBDs.

6. RESERVATION IN POSTS IDENTIFIED FOR ONE OR TWO CATEGORIES

6.1 If in a Department/Organization, a post is identified suitable only for one category of disability, reservation in promotion in that post shall be given to persons with that category of benchmark disability only. However, reservation of 4% for PwBDs shall not be reduced in such cases and total reservation in the post will be given to PwBDs for which it has been identified. Likewise, in case the post identified is suitable for two categories of disabilities, reservation shall be distributed between persons with those categories of disabilities equally, as far as possible. It shall, however, be ensured that reservation in different posts in the establishment is distributed in such a way that the PwBDs, as far as possible, get equal/fair representation. And, reservation in promotion will be given only at the points reserved for PwBDs or in the roster as fixed by the Heads of Departments, and not in a bunched manner.

7. COMPUTATION OF NUMBER OF VACANCIES TO BE RESERVED

7.1 Number of vacancies in a recruitment year to be reserved for PwBDs, wherever reservation in promotion for PwBD is applicable, shall be computed as 4% of the total number of vacancies for promotion in the posts identified/ will be identified for reservation in appointment and for which the element of direct recruitment, if any, does not exceed 75%, and the total number of posts is not less than or equal to 5.

8. EFFECTING RESERVATION- MAINTENANCE OF ROSTERS

8.1 Heads of Departments/establishment shall be responsible for fixing rosters for promotion of PwBDs in the posts identified for reservation in appointment in their Department.

8.2 They may arrange trainings prior to promotion for upskilling eligible PwBDs, as is deemed necessary.

8.3. Promotion to fill up the roster points shall continue and shall not be held back due to reservation in appointment affected in that particular post.

8.4. In case it is not possible to fill up the vacancy from amongst the persons with disability, the same may be filled by from other disabilities as available in the roster. Only if such persons are not available in the feeder category shall the vacancy be filled up by promoting a person other than a person with disability. However, the vacancy for promotion shall be considered for a period of 3 consecutive years, where after it shall stand lapsed if it is not filled up in the extended period.

8.5. If the feeder category is promoted through a combined seniority list, the rotation fixed by the HoD shall be applied on the combined seniority list.

8.6. The reservation in promotion shall apply only in the posts identified/ will be identified for reservation in appointment and for which the element of direct recruitment, if any, does not exceed 75%, and the total number of posts is not less than or equal to 5.

8.7. A PwBD may not be denied the right to appointment by promotion on seniority cum merit basis and can be appointed on his turn even though his position is currently not in the roster, provided the promotion post is identified as suitable for PwDs of the relevant disability category.

8.8. If the feeder category post is so designed as per Rules that the

incumbents can choose/opt promotion to multiple higher posts, they should be given the reservation for promotion only once, to the identified post/s to which they have opted for, provided that post is identified for reservation in appointment. If the post he/she opts for is not an identified post for appointment to PwBDs, the reservation in promotion cannot be applied and also, reservation in promotion cannot be claimed by the PwBD in future promotions.

8.9. If for any reason, the PwBD who is eligible for promotion foregoes it at the time when the promotion is due as per roster fixed by the HoD, the next eligible from the feeder category in the same disability shall be promoted and the person who foregoes his turn for promotion shall lose the opportunity.

8.10. PwBDs selected without relaxed standards along with other candidates may not be considered for reservation in promotion even if the promotion post is identified for reservation in promotion .

8.11. In Departments where there are identified posts in two or more consecutive levels of promotion which can be filled directly and by promotion, persons with benchmark disabilities selected with relaxed standards/against reservation alone may be considered for promotion.
