To

**The Superintendent Engineer**  
Kerala Water Authority,  
Kerala Water Authority Office,  
Kalmadapam, Palakkad

Dear Sir,

Sub:- Water consent from Kerala Water Authority for Setting Up of a " State of the Art " 500KLPD Multi Feed Ethanol Manufacturing Unit @Elappully Panchayat, Post Vengodi, Elappully 2 Village, Palakkad Taluk, Palakkad – 678622

Ref :- Invitation of Oil Companies for signing Expression of Interest ( EOI ) Agreement with upcoming ETHANOL Plants in the state of Kerala for supply of Denatured Anhydrous Ethanol to Oil Marketing companies ( OMCs )

With reference to the above kindly note we have received an invitation for setting up an Ethanol plant under the Niti Aayog – Ministry of Petroleum and Natural Gas initiative for ethanol blending in India 2020-2025 which provides an indicative target of 20% ethanol blending under the Ethanol Blended Petrol ( EBP ) Program by 2030.

We thank and extend our gratitude and sincere appreciation for the cordial industrial climate offered to the industries by the state of Kerala.

We understand Kerala is an ethanol deficit state with an annual ethanol requirement of 5000 lakhs liters as per the Government of India projections for 2024-2025 which has proposed for 20% blending into motor spirit.

The Oasis Group of companies presently owns 5 state of the Art ethanol units spread across the states of Madhya Pradesh, Punjab & Haryana. The group would be commissioning its 6<sup>th</sup> Ethanol unit at Uttar Pradesh and as per the Niti Aayog direction and state government invitation we are desirous to set up a world class 500KLPD capacity ethanol with an investment of 600 to 650 crores **which would be in PHASEWISE depending on the availability of necessary resources.** please note this project will generate 500-600 direct employment and more than 1000 through its ancillary units and will be a boost to farmers and agriculture.

**COMMERCIAL PRIVATE LIMITED**

**Regd. Office :** Village Jatwar, Tehsil Naraingarh,  
Distt. Ambala, Haryana-134201, INDIA  
Phone : +91-1734-276001-5

Sir, we have identified and registered 22 acres of land at Elapully panchayat , Post Vengodi, Elapully Village 2, Palakkad-678622 for this project. The said land is free from ecological and environmental fragile zones notified by the state & central Governments. It is also submitted for your information that this proposed ethanol unit is based on zero discharge technology and would therefore be confirming to all emission norms stipulated by Ministry of Environment and Forest- Government of India.

We are enclosing herewith the invitation of Oil Companies for signing Expression of Interest ( EOI ) Agreement with upcoming ETHANOL Plants in the state of Kerala for supply of Denatured Anhydrous Ethanol to Oil Marketing Companies ( OMCs ) through E tender for your kind reference. Accordingly we have to satisfy 2 conditions to take part in the E tender

1. Land Availability
2. Water Availability

The first condition is already satisfied and for the water resources we are depending on water resources from Water Authority Department, KINFRA and other sources.

As mentioned in para 4, we would be setting up the plant based on the availability of resources only. Hence We need a consent from KERALA WATER AUTHORITY from its facilities for this project, based on that consent we want to bid for the same and plan for the LOI and other Investments.

Hence we kindly request you to give water consent of sufficient quantity for this project for our tender participation with Oil companies for signing Expression of Interest ( EOI )

Please do the needful at the earliest

Thanking you

Sincerely

**For Oasis Commercial ( P ) Ltd**

**A. Gopi Krishnan**

**Vice President ( Operations )**

Water Resources Department-Kerala Industrial Infrastructure Development Corporation-Industrial Water Supply Scheme to Kanjikkode-Allocation of 10MLD of water from Malampuzha Dam-Sanction accorded-Orders issued

---

**WATER RESOURCES (WATER SUPPLY-C) DEPARTMENT**

G.O.(Ret) No.90/2015/WRD

Dated, Thiruvananthapuram, 31/01/2015

---

Read: 1. Letter No.Kin/PLG/WS/06/2012-13 dated 02/09/2013 from the Managing Director, Kerala Industrial Infrastructure Development Corporation.

2. Minutes of the meeting held on 15/09/2011 chaired by Hon'ble Chief Minister to discuss the issue relating to Industrial Water Supply Scheme for Palakkad.

**ORDER**

1. The Managing Director, KINFRA as per the letter read as 1<sup>st</sup> paper above has requested to allocate 10 MLD of water from the Malampuzha Dam for the Industrial Water Supply Scheme to Kanjikkode area through Kerala Water Authority out of the 96 MLD being drawn by Kerala Water Authority from the Dam and permit Kerala Water Authority to enhance the drawal from 96 MLD to 105 MLD so that in future KINFRA can avail 20 MLD.
2. In the meeting chaired by the Hon'ble Chief Minister on 15/09/2011 at Chief Minister's Conference Hall to discuss the issues relating to the Industrial Water Supply Scheme for Palakkad District, it was decided that Irrigation Department will allow KINFRA to draw 10 MLD water from the Malampuzha Dam to Palakkad Industrial Water Supply Scheme. Further allotment will be taken after assessing the availability of water.
3. In the above circumstances, Government are pleased to allocate 10 MLD of water to KINFRA for the 1<sup>st</sup> phase of Development of Industrial park at

13

P1-2

Kanjikkode out of the 96 MLD water already allocated to Kerala Water Authority from Malampuzha Dam.
