Abstract

Public Works Department - Road Maintenance - Implementation of One Year Running Contract, Cluster II (Moderately Damaged Road Stretches) - Administrative Sanction accorded - Orders Issued.

PUBLIC WORKS(H)DEPARTMENT

G.O.(Rt)No.530/2022/PWD Dated,Thiruvananthapuram, 13-05-2022

- Read: 1. G.O.(Ms)No.68/2020/PWD dated 16.10.2020.
 2. G.O.(Rt)No.1034/2021/PWD dated 24.11.2021.
 3. G.O.(Rt)No.82/2022/PWD dated 24/01/2022.
 4. G.O(Rt)No.147/2022/PWD dated 09.02.2022.
 5. Letter No. CEPWD/8284/2021-DB1-RM dated 13.04.2022 from the Chief Engineer, PWD, Road Maintenance.

ORDER

As per the G.O read as 1st paper above, the Chief Engineer, Road Maintenance was entrusted with the duty to execute the Road Maintenance works for Ordinary Maintenance through Running Contract for each year and also entrusted as the controlling officer for Non-Plan Budget head of account 3054-03-337-99 (Routine Maintenance).

2. As pr the G.O read as 2nd paper above, Administrative Sanction was accorded for the implementation of One Year Running Contract, Cluster-I for 117 works on the vulnerable stretches over total length of 2481.54Kms for an amount of Rs.137.41Crores under the head of account 3054-03-337-99(NP) and also approved the Special Conditions of the works for Running Contract for attending the Road Maintenance works. The Special conditions are also modified as per the G.O read as 4th paper above.

3. As per the G.O read as 3rd paper above, Administrative Sanction was accorded for the implementation of One Year Running Contract, Cluster-I for 26 works on the vulnerable stretches over total length of 641.372Kms for an amount of Rs.49.6442 Crores under the head of account 3054-03-337-99(NP).

4. As per the letter read as 5th paper above, the Chief Engineer, Road Maintenance submitted proposal for according Administrative Sanction for the implementation of One Year Running Contract, Cluster-II (Moderately Damaged Road Stretches) as follows:

ABSTRACT OF RUNNING CONTRACT CLUSTER-2

Sl No	District	Total Number of Works	Total Length (Km)	Total Amount (Lakhs)	Per Km Amount
1	Thiruvananthapuram	96	1,317.22	3,276.00	2.49
2	Kollam	59	787.01	1,842.93	2.34

13	Kannur	30	1,060.53	1,402.93	1.32
14	Kasaragod	16	882.80	934.00	1.06
	TOTAL	774	18,421.32	36,995.91	
				369.96	Crore

5. Government have examined the matter in detail in the light of the G.O read as 2nd paper above. It was ordered that the approximate quantities of main items of work including pavement repair works, drain clearance etc. shall also be included in the schedule and the technical specification/ proposal for the maintenance work shall be in conformity with original surfacing. However the proposal submitted as per the letter read as 5th paper above is found to indicate only the length of road and total cost and does not seem to distinguish the nature of road or road surface which is in contradiction to the Govt. Order. The proposal is comprising One Year Running Contract for various PWD Roads under Roads Section for a certain length and does not seem to include either the necessary items or the proper scope of work envisaged which are against the above Govt. Order. The per km cost indicated for each district also

shows wide variation. Hence the accuracy of estimate cannot be ascertained.

6. However considering the urgency of work, Government are pleased to accord Administrative Sanction for 50% of the proposed amount of Rs.369.96Crores ie,Rs.184.98Crores (Rupees One Hundred and Eighty Four Crores and Ninety Eight Lakhs only) under the h/a 3054-03-337-99(NP) subject to the following conditions:

- i. Detailed estimates shall be prepared for each work and Technical Sanction be issued by competent authority before arranging the Running Maintenance Contract.
- ii. The Chief Engineer shall confirm that the Roads under DLP are not included under this proposal.
- iii. Payment for the work done shall be regulated based on detailed measurements recorded at agreed item rates only.
- iv. Pre-measurements before commencement of work and detailed measurements after completion of work (within 48 hours), shall be recorded in the Electronic Measurement Book of PRICE software.
- v. Colour photos specifying the chainage and nearby land mark shall be maintained before commencement and after completion of work during each maintenance work under the Contract, in the concerned file of the Section office for records.
- vi. Copies of TS issued for each work to CTE for compliance .

 5. Letter No. CEPWD/8284/2021-DB1-RM dated 13.04.2022 from the Chief Engineer, PWD, Road Maintenance.

ORDER

As per the G.O read as 1st paper above, the Chief Engineer, Road Maintenance was entrusted with the duty to execute the Road Maintenance works for Ordinary Maintenance through Running Contract for each year and also entrusted as the controlling officer for Non-Plan Budget head of account 3054-03-337-99 (Routine Maintenance).

2. As pr the G.O read as 2nd paper above, Administrative Sanction was accorded for the implementation of One Year Running Contract, Cluster-I for 117 works on the vulnerable stretches over total length of 2481.54Kms for an amount of Rs.137.41Crores under the head of account 3054-03-337-99(NP) and also approved the Special Conditions of the works for Running Contract for attending the Road Maintenance works. The Special conditions are also modified as per the G.O read as 4th paper above.

3. As per the G.O read as 3rd paper above, Administrative Sanction was accorded for the implementation of One Year Running Contract, Cluster-I for 26 works on the vulnerable stretches over total length of 641.372Kms for an amount of Rs.49.6442 Crores under the head of account 3054-03-337-99(NP).

4. As per the letter read as 5th paper above, the Chief Engineer, Road Maintenance submitted proposal for according Administrative Sanction for the implementation of One Year Running Contract, Cluster-II (Moderately Damaged Road Stretches) as follows:

ABSTRACT OF RUNNING CONTRACT CLUSTER-2

Sl No	District	Total Number of Works	Total Length (Km)	Total Amount (Lakhs)	Per Km Amount
1	Thiruvananthapuram	96	1,317.22	3,276.00	2.49
2	Kollam	59	787.01	1,842.93	2.34
3	Alappuzha	43	950.44	1,008.38	1.06
4	Pathanamthitta	40	1,201.32	2,316.55	1.93
5	Kottayam	66	2,341.87	4,584.25	1.96
6	Idukki	144	2,245.10	7,038.72	3.14
7	Ernakulam	82	2,286.09	3,927.00	1.72
8	Thrissur	25	1,081.73	1,179.00	1.09
9	Palakkad	28	1,219.13	1,437.38	1.18
10	Malappuram	100	1,559.16	5,313.81	3.41
11	Kozhikod	25	1,028.90	1,939.00	1.88
12	Wayand	20	460.03	796.07	1.73
13	Kannur	30	1,060.53	1,402.93	1.32
14	Kasaragod	16	882.80	934.00	1.06
	TOTAL	774	18,421.32	36,995.91	
				369.96	Crоре

5. Government have examined the matter in detail in the light of the G.O read as 2nd paper above. It was ordered that the approximate quantities of main items of work including pavement repair works, drain clearance etc. shall also be included in the schedule and the technical specification/ proposal for the maintenance work shall be in conformity with original surfacing. However the proposal submitted as per the letter read as 5th paper above is found to indicate only the length of road and total cost and does not seem to distinguish the nature of road or road surface which is in contradiction to the Govt. Order. The proposal is comprising One Year Running Contract for various PWD Roads under Roads Section for a certain length and does not seem to include either the necessary items or the proper scope of work envisaged which are against the above Govt. Order. The per km cost indicated for each district also

shows wide variation. Hence the accuracy of estimate cannot be ascertained.

6. However considering the urgency of work, Government are pleased to accord Administrative Sanction for 50% of the proposed amount of Rs.369.96Crores ie,Rs.184.98Crores (Rupees One Hundred and Eighty Four Crores and Ninety Eight Lakhs only) under the h/a 3054-03-337-99(NP) subject to the following conditions:

- i. Detailed estimates shall be prepared for each work and Technical Sanction be issued by competent authority before arranging the Running Maintenance Contract.
- ii. The Chief Engineer shall confirm that the Roads under DLP are not included under this proposal.
- iii. Payment for the work done shall be regulated based on detailed measurements recorded at agreed item rates only.
- iv. Pre-measurements before commencement of work and detailed measurements after completion of work (within 48 hours), shall be recorded in the Electronic Measurement Book of PRICE software.
- v. Colour photos specifying the chainage and nearby land mark shall be maintained before commencement and after completion of work during each maintenance work under the Contract, in the concerned file of the Section office for records.
- vi. Copies of TS issued for each work to CTE for compliance .

5. Government have examined the matter in detail in the light of the G.O read as 2nd paper above. It was ordered that the approximate quantities of main items of work including pavement repair works, drain clearance etc. shall also be included in the schedule and the technical specification/ proposal for the maintenance work shall be in conformity with original surfacing. However the proposal submitted as per the letter read as 5th paper above is found to indicate only the length of road and total cost and does not seen to distinguish the nature of road or road surface which is in contradiction to the Govt. Order. The proposal is comprising One Year Running Contract for various PWD Roads under Roads Section for a certain length and does not seen to include either the necessary items or the proper scope of work envisaged which are against the above Govt. Order. The per km cost indicated for each district also

shows wide variation. Hence the accuracy of estimate cannot be ascertained.

6. However considering the urgency of work, Government are pleased to accord Administrative Sanction for 50% of the proposed amount of Rs.369.96Crores ie,Rs.184.98Crores (Rupees One Hundred and Eighty Four Crores and Ninety Eight Lakhs only) under the h/a 3054-03-337-99(NP) subject to the following conditions:

- i. Detailed estimates shall be prepared for each work and Technical Sanction be issued by competent authority before arranging the Running Maintenance Contract.
- ii. The Chief Engineer shall confirm that the Roads under DLP are not included under this proposal.
- iii. Payment for the work done shall be regulated based on detailed measurements recorded at agreed item rates only.
- iv. Pre-measurements before commencement of work and detailed measurements after completion of work (within 48 hours), shall be recorded in the Electronic Measurement Book of PRICE software.
- v. Colour photos specifying the chainage and nearby land mark shall be maintained before commencement and after completion of work during each maintenance work under the Contract, in the concerned file of the Section office for records.
- vi. Copies of TS issued for each work to CTE for compliance .

Administrative Sanction – Accorded - Orders issued.

PUBLIC WORKS (G) DEPARTMENT

G.O.(Rt)No.277/2025/PWD Dated,Thiruvananthapuram, 22-02-2025

Read Letter No.CEPWD/20104/2024-DB5(PL)-RD dated
04.11.2024 from the Chief Engineer (Roads), Public Works
Department, Thiruvananthapuram.

ORDER

As per the letter read above, the Chief Engineer (Roads) Submitted the proposal for 67 road works amounting to Rs. 34022.40Lakhs as Sabarimala Works for the Financial Year 2024-25 and has requested to accord Administrative Sanction for the works. The Chief Engineer reported that there is a budget provision of Rs. 1282.54 Lakhs under the head of account 5054-04-337-89 for Sabarimala Festival works for the financial year 2024-25.

2. Government have examined the matter in detail and are pleased to accord Administrative Sanction for the proposed 67 road works (given as Annexure to this Government order) under Sabarimala festival works for the modified amount of Rs 32697.10 Lakhs (Three twenty six crore ninety seven lakh and ten thousand only) under the h/a 5054-04-337-89 (P) against the proposed amount of Rs. 34022.40 lakhs, subject to the condition that Technical Sanction Authority shall ensure the compliance of following observations wherever applicable while issuing Technical Sanction;

- 1) The proposal for improvement with BM & BC shall be done with due consideration for importance of road and traffic density only. In other cases, possibility of substituting the BM & BC with MSS wearing course shall be explored.
- 2) Scarification of existing bituminous layer or dismantling flexible

pavement shall be adopted in severely damaged and gradient correction portions only.

3) The scarified or dismantled pavement layers shall be re-used below GSB layer as sub base or at shoulders with proper compaction. The thickness of GSB layer in the carriageway shall be reduced proportionately.

4) The thickness of GSB & WMM, if any required, shall be optimized to the normal provision of 15cm.

5) In the case of existing BM & BC surface, necessity of providing BM base course again shall be reviewed and optimized to distress and gradient corrections portions.

6) BM Profile correction provision @10% is allowed in the case of BM overlay over existing premix carpet wearing course only.

7) The provision for shoulder concrete, berm concrete, Irish drain, etc. shall be allowed as shoulder protection in gradients and curves only for minimum width only (as per IRC) . In other reaches like along the alignment of utility line, parking space, paved shoulders etc., if required , concrete paver blocks of appropriate grade and thickness over GSB layer shall be provided.

8) Standard carriageway width including paved shoulder, as per IRC, shall be adopted using the flexible pavement itself. Widening with rigid pavement (concrete) shall be discouraged.

9) The proposals for RCC cover slabs for drains, Foot paths with Paver blocks or Tiles, GI pipe hand rails, etc. shall be allowed in technically justified portions only.

10) The CC Side protection walls shall be substituted with DRM including RCC belt as stipulated in Govt. Circular No.64/2021/Fin dated 05/08/2021.

11) Proper account of re-usable materials obtained from dismantling items of work shall be ensured.

12) The provisions for Road furniture shall be regulated as per IRC guidelines after assessment of existing items available at site. Proper account (Register) shall be maintained for the road furniture items.

13) The provisions for construction of culverts shall be regulated as per IRC guidelines.

14) Defect liability period of the proposed road reach shall be ensured. Also, duplication of proposals under different schemes for the same reach shall be avoided.

15) The correctness of the rates adopted for observed data's included in the estimates shall be ensured by the TS authority.

16) The nomenclature/ working chainages /Chainages of various provisions shall be ensured by the TS authority.

17) Technical Sanction shall be issued by the competent authority after ensuring the admissibility of provisions included in the estimate with the site conditions before issuing the Technical Sanction.

18) The provision for reuse/disposal of cut earth obtained during excavation is not mentioned in the estimate. Hence, TS authority shall ensure the reuse of the same/disposal through auction as per prevailing Government rules without causing loss to state exchequer.

19) In cases where dismantling of existing DR masonry structures is necessitated as per site conditions, its chainage shall be clearly specified in the M- Book and the rubble so obtained shall be reused properly and accounted as departmental rubble.

10. Invitation of tenders and award of works:

- 10.1 It may also be ensured that the guidelines issued by this Ministry's Circular No.RW/ NH- 34066/14/2018-S & R (P & B) dated 25th June, 2018, amending the General Financial Rule (GFR 2017)161(i & ii), 183(ii) and 201(ii) in respect of tender advertisements for procurement of Goods and Services replacing mandatory e-publishing of advertisement on Central Public Procurement Portal (CPPP) at www.eprocure.gov.in, GeM and Ministry / Department website is strictly followed.
- 10.2 Procedure as per instructions conveyed vide Ministry's letter no. RW/ NH-24035/4/2008/P&M/PIC-EAP dated 31.03.16 is to be adopted for award of works.
- 10.3 It is the responsibility of the executing agency (State PWD) to ensure availability of encumbrance free working front to the Contractor at the time of declaration of 'Appointed Date', and in case the project entailed any revision in cost estimates on account of authority default, any such incremental costs would have to be borne by the State PWD.
- 10.4 CE (NH), State PWD will intimate this Ministry about award of contract/commencement of work immediately as per instructions contained in this Ministry's letter no. RW/NH-11060/1/98-(DO-I) dated 05.11.1998.
- 10.5 The technical approval and financial sanction may lapse after six months from the date of its issue in case the work is not awarded within that period.
- 10.6 The tenders for the work shall be invited on EPC mode as per guidelines issued by this Ministry vide circular letter No.RW/NH-24035/4/2008-P & M/PIC dated 21.05.2011 in addition to guidelines issued by this Ministry vide circular Letter No. RW/NH-11024/3/99-US (D-1) DATED 9.3.2000, No. RW/NH-24035/4/2008-P&M dtd. 21.05.2010 and No.NH-12037/67/2010/LWE dated 2.8.2010.
- 10.7 While accepting tenders that the overall cost of estimate at tender rates including contingencies, work charge establishment and agency charges does not exceed by more than 5% of sanctioned cost.
- 10.8 Excess in tender cost is caused only be routine factors such as increase in cost of labour or material.
- 10.9 Excess due to change of scope or enlargement / reduction of work or specifications as already approved in the sanctioned estimate would require prior approval of Ministry.
11. **General:**
 - 11.1 The provision of Project contingencies and agency charges should be utilized as per Ministry's circular letter no. NH-15017/17(2)/2016-P&M dated 16.06.2016. For any other item, which is not covered in the above circular necessary approval of Ministry (in principle) with the recommendation of Concerned RO should be taken before execution. However, sub-estimate for the same should be got approved from Concerned RO, before execution.
 - 11.2 The estimates for carrying out the activities under the provision of contingencies including change in scope of work will be approved by Ministry on assurance/certification by Authority's Engineer/CE (NH), PWD Department that the amount provided against contingencies is available and the same has not been indirectly utilized by accepting higher tender rates. Authority's Engineer/ENC/CE

(NH), PWD Department shall also certify that approval of estimates to be charged to contingencies will not cause revision of the sanctioned estimate.

- 11.3 Collection of material on the roadside should be so planned that it should commensurate with the physical progress of work and the collected material should not cause any hindrance to the traffic. It must be ensured that the contractor arranges for separate land for storage of road construction material and machinery and these shall not be allowed to be stacked on roadside.
- 11.4 No work beyond the scope of the sanctioned estimate leading to increase in the scope of the work or change in specification should be undertaken without obtaining prior written approval of the Ministry. In case, the estimate needs revision due to change in rates/tender rates for any reasons, the revised estimate shall be submitted immediately for Ministry's approval. No expenditure beyond permissible in this connection, this Ministry's letter No. RW/NHIII/Coord/32/84 dated 19.5.84 and NH-11026/2/99-US (DI) dated 29.10.2001 may be referred.
- 11.5 In order to ensure that there is no slippage in achieving the targets, the progress may be closely monitored by ENC/CE (NH), R&B Departmental quarterly status report be furnished to the Ministry in the prescribed proforma.
- 11.6 During the course of execution, the traffic may be regulated in accordance with guidelines laid down vide Ministry's letter no. NHIII-33 (126)/72 dated 20.03.1973 and letter No. RW/NH-11060/1/1998-D.O.1 dated 07.10.1987. Smooth flow of the traffic may be ensured by providing adequate traffic control devices in accordance with stipulation of IRC: SP: 55:2001 "Guidelines on Safety in construction Zone".
- 11.7 It is observed that simultaneous working at large number of work fronts in long stretches is causing severe inconvenience to traffic during construction. Therefore, it is suggested that fronts may not be operated in more than 3 km length simultaneously, without completing the bituminous surfacing in the stretches where excavation/granular layers are carried out. Suitable provisions in the contract shall be incorporated for proper traffic management.
- 11.8 The display boards on development activities of the work shall be made as per guidelines issued vide Ministry's letter no. RW/NH-33044/ 10/2002-S&R (R) dated 26th May, 2003. The cost of the same will be met out of the provision of contingencies allowed in the estimate.
- 11.9 The work is to be carried out in accordance with the "Hand Book of Quality control for construction of Roads and Runways (Second Revision)-IRC SP:11-1988", observing strict quality control instructions contained in the Ministry's letter No. NH-III/P/1/83 dated 19 April 1984 and permanent records maintained thereof.
- 11.10 The Independent quality control tests of all items from any of the accredited laboratories as per IRC: SP:94-2011 shall be carried out from the quality control provision in estimate to ensure the quality of work.

11.11 Neither the work nor any item of work shall be split into small parts for awarding the work to a number of contractors. In this regard, instructions issued in this Ministry's letter No. NH-III/P/25/84 dated 4/8/1984 may be referred

11.12 Guidelines for Road Safety vide Ministry's letter No. RW/ NH-33072/04/2004-S86R(R) dated 27.04.2012 shall be followed wherever applicable.

7 Cost of work:

7.1 The The estimate is based on DSOR 2018 with applicable cost index and same is verified by State PWD. The CE (NH), Kerala should satisfy himself about the adequacy of the rates and leads adopted in the estimate and the quarries proposed are the approved quarries for NH works with minimum leads.

7.2 The lead for the carriage of different materials as proposed in the estimate has been allowed for estimate purpose only. However, while calling tenders the sources may not be indicated. The contractor shall be responsible to procure the material conforming to specification of the work. No provision of extra lead during execution of the work shall be allowed.

7.3 In view of the above comments, the cost of the estimate amounts to Rs. 3948.18 Lakh including 3% agency charges.

4. G.O(Ms) No.35/2019/P&EA dated 23/12/2019.
5. G.O.(Rt.) No.235/2020/P&EA dated 29/05/2020.
6. Minutes of 10th HLEC meeting held through Video Conference on 06/08/2020.

ORDER

In the aftermath of the flood of 2018, the Rebuild Kerala Initiative (RKI) has been entrusted with the task of planning and implementing a rebuilding strategy for the state as per the G.O. read as 1st paper above. As per the G.O. read as 2nd paper above, Government had approved the Rebuild Kerala Development Programme (RKDP) which constitutes the State's strategic road map for a Green and Resilient Kerala. The RKDP observes that high quality and durable road infrastructure is a prerequisite for social, economic and industrial development of any state. Further, it states that, the roads are the primary mode of transport in Kerala, and hence, rebuilding of climate and disaster resilient road asset stock is in the best interest of the State.

2. Accordingly, as per reference cited as 3rd paper above, a list of 31 flood damaged PWD roads were approved for taking up under Rebuild Kerala initiative (RKI) for reconstruction. As per reference cited as 4th paper above, the amount for reconstruction of PWD roads under RKI is to be Rs.1200 crore from the Development Policy Loan (DPL) of the World Bank and Rs.1800 crores from the KfW loan. Further, as per reference cited as 5th paper above, Administrative Sanctions for 21 roads out of the approved 31 were also issued.

3. The High Level Empowered Committee (HLEC) of the RKI, in its 10th meeting held through Video Conference on 06/08/2020, approved the DPRs for 7 roads out of remaining 10 from the approved list as mentioned above, with a total estimated cost to the tune of Rs.1101.79 crores.

4. In these circumstances, the Government are pleased to accord Administrative sanction for the **Reconstruction of 7 flood damaged PWD roads**, for an estimated cost of **Rs.1101.79 crores** (Rupees One thousand One hundred and One crore and Seventy-nine lakh only). The list of roads and its salient features are attached as **Annexure 1 & 2** to this G.O respectively. The requisite funds for the project will be sourced from the Development Policy Loan of the World Bank and the loan from KfW. The expenditure in this regard will be debited to the head of account "5475-00-115-94-Post flood Projects under Rebuild Kerala Initiative (P)".

5. The project will be implemented by the Public Works Department, with a long-term maintenance contract element to be built in to the project costs. The PWD shall formulate an effective monitoring mechanism for the timely completion of the projects. All mandatory clearances from relevant departments shall be obtained wherever applicable. All procurements as part of implementation of the work shall be done in a fair and transparent manner in accordance with the extant rules.

3. The Government as per reference cited as 4th paper above, later renamed the project to 'Upgradation of Alappuzha- Changanassery road into Semi Elevated Highway'.

4. As per the letter read as paper 5th above, the Chief Engineer, KSTP requested to revise the budget of the project to Rs. 671.66 crore, citing that the earlier estimate of Rs. 624.48 crore had not included the components such as maintenance cost at a rate of 4.5 % of the project cost as per the EPC mode of contract and cost escalation at a rate of 5% of the project cost.

5. The 10th High Level Empowered Committee (HLEC) meeting of RKI held on 06/08/2020 considered the matter in detail, and approved the revised estimate for the project at Rs.671.66 crore.

6. In these circumstances, the Government are pleased to revise the estimated cost of the project 'Upgradation of Alappuzha- Changanassery road into Semi Elevated Highway' to Rs.671.66 crore(Rupees Six-Seventy-One crore Sixty-six lakh only). The Government Order read 3rd above stands modified to this extent only.
