UTTAR PRADESH

University management in Uttar Pradesh

A Committee appointed by the UP governor Ram Naik to study the state of affairs of the 28 state universities has recommended granting more power to the Chancellor of the Universities, who happens to be the Governor. The committee headed by the principal secretary to the Governor Juthika Patankar in its report 'University management in Uttar Pradesh –A view from the Chancellors Office' has said a University Tribunals to handle service matters and all other cases of a quasi judicial nature be set up or the office of the Chancellor be strengthened with more powers. The report of the committee was released by the Governor Ram Naik where the Vice Chancellors of all the 28 Universities were also present.

MAHARASHTRA

Maharashtra records highest sugar production, millers start distress sale

Maharashtra recorded the highest ever production of sugar at 106.08 lakh tonnes (lt) in the state this season. The record production this season, till April 22, however, has failed to cheer the industry, which is reeling under the curse of very low realisation. With sugar commissioner stepping up action against millers that have failed to pay farmers, distress sale by mills is likely to further reduce the prices.
