NTP was issued on 28.04.2023. Subsequently, proof-checked designs and drawings using UHPFRC were submitted and reviewed in Technical Committee meetings held during 2024–25, while initial pile load tests were completed. Meanwhile, objections regarding the alignment of the Thirunavaya–Thavanur River Bridge were raised by Dr. E. Sreedharan before the Hon'ble High Court. Following multiple discussions and Government review, the request for alignment change was rejected on 11.03.2025 and again on 29.06.2025 as per court directions. However, fresh litigation and continued disputes regarding the bridge alignment have delayed further progress, and the project is presently on hold pending final decision on the alignment issue. During the meeting held on 19.01.2026, KIIFB directed that no further action be taken on the project at that stage until a decision is received from the then Hon'ble Chief Minister's Office (2021-2026) on the complaint submitted by Dr. E. Sreedharan.
